CHIEF ADMINISTRATIVE OFFICE**

Facilities Division

Date: May 10, 2012
To: Board of Supervisors
From: Russell Fackrell, Facilities Manager, Chief Administrative Office
Subject: El Dorado County Animal Shelter Update

Letters of intent have been issued on multiple sites for a future animal shelter and adjacent land. We expect to hear back from the owners of these properties within the next week. We continue to investigate the viability of all the sites directed by the Board.

We have been contacted by several property owners and brokers regarding other potential sites within the County. We have visited several of these to determine if they suit the County's needs. We continue to consider other sites and will bring future possibilities to the Board's attention.

At this time there is no new information to report. We will provide the Board with another update on May 22nd.
