

Elisabeth Anderson
PO Box 345
Somerset, CA 95684

To whom it may concern:

I own the parcel across the street from Dwayne Fisher. I have no complaints regarding his well house or modular home.

When the Fisher's bought the property it was raw land: heavily forested with pine trees and manzanita. Numerous dilapidated outbuildings stood on the property. The Fisher's removed them and had roads bulldozed, greatly improving the appearance and safety of the property.
