**LATE DISTRIBUTION**

Date 3:59 pm, Mar 14, 2011

Dear Supervisor Nutting,

As the assessment of the 2010 federal census to “adjust the boundaries” of any or all of the supervisorial districts in El Dorado County quickly approaches, the Joint Chambers of El Dorado County would like to voice our concern.

We are aware of the challenges the Board will face in your efforts to correct inequities resulting from western-slope growth and declining populations elsewhere.

Our request is that the Board of Supervisors would follow the code and State guidelines one through five of proposition 11. It is, we believe, important that the process be a fair and transparent one.

The Joint Chambers would welcome the opportunity be involved in the procedure, as it is our intent to stay informed and support the process.

We would additionally request prior notification of any and all committees or meetings that surround the issue to enable our full support and participation.

Thank you, for your consideration of our request.

Respectfully,

A handwritten signature in cursive script that reads "Laurel Brent Bumb".
