Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Consultant shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XV

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (Time to Cure), then such party shall be in default. The Time to Cure may be extended at the discretion of the party giving notice. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the Time to Cure has expired.

- B. **Bankruptcy:** This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Consultant.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Consultant ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement or any Work Order issued pursuant to this Agreement, in whole or in part upon thirty (30) calendar days' written notice by County for any reason. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates, as set forth in the Notice of Termination provided to Consultant, and for such other services which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the not-to-exceed amount of the Work Order or the total amount of this Agreement, as applicable. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- E. **Warranty and Limitation of Consultant's Liability:** Consultant warrants that the media used to deliver the Licensed Materials to County is free from mechanical or recording defects, and if such defects are found, Consultant shall immediately replace the defective media.

Consultant warrants that it is the owner of the Licensed Materials and that it has the right to grant the License granted hereunder. Consultant agrees to defend County against, and pay the amount of any adverse final judgment (or settlement to which Consultant consents) resulting from third party claim(s) (hereinafter "Indemnified Claims") that the Licensed Materials infringe any copyright or patent; provided Consultant is notified promptly in writing of the Indemnified Claims and has sole control over its defense or settlement, and County provides reasonable assistance in defense of same. This paragraph shall survive termination of this Agreement.

Consultant warrants that the Licensed Programs shall perform substantially in accordance with its then-current Licensed Materials, at no additional cost to County, provided that: (a) the Licensed Programs have not been modified, changed or altered by anyone other than Consultant or as authorized by Consultant in writing; (b) County is operating the then-current version of the Licensed Programs; (c) County's computer system is in good operating order and is installed in a suitable operating environment; (d) County's computer system configuration used in the operation of the Licensed Programs meets Consultant's approved specifications (e) the error or defect is not caused by County or its agents, employees, or consultants; (f) County promptly notifies Consultant of the error or defect when it is discovered; (g) all fees then due to Consultant have been paid; and (h) County is not otherwise in breach of its obligations under this Agreement. In such event, Consultant shall use its commercially reasonable efforts to cause the Licensed Programs to perform substantially in accordance with its then-current Licensed Materials as soon as reasonably practicable under the circumstances.

If County notifies Consultant of such error or defect and, after investigation by Consultant, Consultant determines that such error or defect occurred as a result of County not being in compliance with one (1) or more of the reasons listed in the above paragraph, then County shall reimburse Consultant at Consultant's then prevailing rates for all costs incurred in investigating such error or defect.

Except as specifically set forth above, there are no other warranties of any kind, whether express or implied, with respect to the licensed programs, the licensed materials or any updates, enhancements or releases thereto, or any other services or goods provided by Consultant to County in connection with this Agreement, including without limitation any warranties of merchantability or fitness for a particular purpose. County's sole and exclusive remedies and Consultant's only obligations under the warranty set forth above and this Agreement is to cause the licensed programs to operate substantially in accordance with Consultant's then-current licensed materials or to correct the then-current licensed materials.

Consultant does not warrant that the functions contained in the licensed programs shall meet County's requirements or shall operate in combination with other software or systems which County selects for use, or that the operation of the licensed programs shall be uninterrupted or error free, or that all errors and defects have been identified and corrected by Consultant.

Consultant shall not be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever suffered or incurred by County as a consequence of the use or performance of the licensed programs or otherwise, even if Consultant has been advised of the possibility of such damages. In any event, under no circumstances shall Consultant be liable for any loss, cost, expense or damage to County in an amount exceeding the sum of the initial license fee actually paid by County to Consultant under this Agreement, whether arising as a result of: (a) any breach of this Agreement by Consultant; (b) any act or failure to act of Consultant; or (c) any claim made against County by any other party, even if Consultant has been advised of the claim or potential claim. County agrees that it will not assert any claims against Consultant based on any theory of strict liability. The provisions of this paragraph do not apply to claims arising out of or related to indemnity obligations by Consultant.

F. County Responsibilities: County is responsible for the following:

Billable offerings are optional, and County will not be required to purchase them to maintain the current release level.

I. Access to County Systems: County agrees to install such telephone lines, communications software, and communications equipment necessary to allow remote access to County's computer system. This access will be used to provide technical support and problem resolution. County shall install its own security measures to prevent unauthorized access. 1. County, its officers, officials, employees, and volunteers are to be covered as additional insured on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10 and CG 20 37 forms if later revisions used).
 2. The inclusion of more than one (1) insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 3. For any claims related to this Agreement, Consultant's insurance coverage shall be primary insurance as respect to County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of Consultant's insurance and shall not contribute with it.
 4. Any failure to comply with reporting or other provisions of the parties, including breach of warranties, shall not affect coverage provided to County, its officers, employees, and agents.
- B. Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Consultant has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
- C. Workers' Compensation as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- D. Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to County.
- E. Any deductibles or self-insured retentions must be declared to and approved by County. County may require Consultant to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

- F. Consultant shall furnish County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Consultant's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- G. If Consultant does not keep all required policies in full force and effect, County may, in addition to other remedies under this Agreement, take out the necessary insurance, and Consultant agrees to pay the cost of said insurance.
