RE: County Christmas Choir

2008 DEC 16 AM 8:59

BOARD OF SUPERVISORS
EL DORADO COUNTY

The tradition of our County Christmas Choir began more than 18 years ago. Choir participants practice for several weeks in preparation for their performances before the Board of Supervisors and in other county facilities. The practices take place during the lunch hour and have a minimal impact on services and productivity. This tradition is highly anticipated each year by the singers and countywide audiences alike.

County Christmas Choir participants are not required to use any form of personal leave when attending their respective performances. This memo is meant to memorialize the county's intent to continue to allow choir participants up to five hours of county time to perform with supervisor approval.

Thank you and feel free to contact me if you have any questions or comments.
