

# Tobacco Retail Regulations July 29<sup>th</sup>

## Direction from the Board of Supervisors

### Tobacco Zoning Ordinance 5210\*

|   | Yes or No? | Board Direction Detail |
|---|------------|------------------------|
| Repeal the Zoning Ordinance Regulations?                |            |                        |
| If no above, continue to the next questions:            |            |                        |
| Sensitive and same use for all tobacco retailers?       |            |                        |
| Change the setback distance?                            |            |                        |
| Make other changes to the Zoning Ordinance regulations? |            |                        |

\*Any changes to the Zoning Ordinance will require Planning Commission review before being brought to the Board for final approval.

### Tobacco Retail License Ordinance 5211

|   | Yes or No? | Board Direction Detail |
|---|------------|------------------------|
| Repeal the Tobacco Retail License Ordinance?  |            |                        |
| If no above, continue to the next questions:  |            |                        |
| Add an exception to the density limit to allow for a new license to be issued for a location with an existing license when a retailer sells their business?                   |            |                        |
| Add an exception to grandfather completed development applications received prior to January 30, 2024, mirroring the County Zoning Ordinance                                  |            |                        |
| Revise the Excessive Density Section, who it applies to and how?  |            |                        |
| Amend regulations in the Ordinance that are more restrictive than or mirror state law regarding flavored tobacco, product pricing and packaging, and positive identification? |            |                        |
| Amend regulations in the Ordinance that are more restrictive than state law regarding single-use electronic cigarettes and non-FDA authorized electronic cigarettes?          |            |                        |
| Make other Changes to the Tobacco Retail License Ordinance?   |            |                        |
