ARTICLE III

Compensation for Services:

Reports detailed herein are considered a required deliverable. Services shall be considered incomplete until such date as said reports are received and approved in writing. All required written authorizations for services and subsequent approvals of reports shall be attached to all invoices. Compensation for services shall not be provided for incomplete services.

For each Client placed with Contractor, County shall pay Contractor with AFDC-FC funds at the current applicable monthly Group Home rate established by the California Department of Social Services Foster Care Funding and Rates Bureau ("FCFRB"). If Contractor is vendored by a Regional Center, County shall pay at their current applicable rate as established and authorized by the California Department of Developmental Services ("CDDS").

County and Contractor agree that payments referenced in this Agreement shall be based upon the current applicable monthly rates as established by the FCFRB or, when appropriate, as established by the CDDS for Regional Center vendored facilities and transmitted to CDSS. County shall compensate Contractor for the services authorized by County for each Client, as set forth in this Agreement and at Contractor's current California-approved Licensing Rate Classification Level ("RCL"), which varies based on the licensing classification of Contractor and the age of Client at the time services are rendered. These rates are published by CDSS and transmitted to County and Contractor via a CDSS All County Letter whenever there is a change in the rates. For services provided hereunder, County shall calculate payment for services rendered and shall issue payments, including prorated payments, at a rate based on the length of Client's stay at facility and the classification and level of services authorized and provided. County agrees to pay Contractor monthly in arrears for services authorized by County and rendered by Contractor. More specifically:

- A. For Foster Care Placement services, County shall transmit said payment in the form of a check within fifteen (15) days following the end of the month in which services were provided.
- B. For Emergency Shelter Care services, County shall transmit said payment in the form of a check within thirty (30) days following the end of the month or following the last date said services were provided.
- C. Unique or specialized services obtained on behalf of Client shall require written authorization from Client Caseworker and Caseworker's supervisor prior to the procurement for said service(s). Payment for any unique specialized service(s) shall be made in the form a check within forty-five (45) days of receipt of a detailed invoice accompanied by a copy of the purchase receipt or invoice and the written authorization from County.

The categories of rates that are established by CDSS or CDDS and that may, based on Contractor's agency classification and/or RCL, be applicable for reimbursement under this Agreement are:

Adoption Assistance Program: WIC Sections 16115, 16118, 16119 and 16120 et seq. establishes the criteria necessary for determining a child's Adoption Assistance Program eligibility status and for the provision of financial aid. It directs County to directly reimburse eligible individuals for reasonable nonrecurring expenses as defined by CDSS that are incurred as a result of the adoption of a Client eligible for the Adoption Assistance Program and instructs County to seek reimbursement for said costs from State.

Annual and Initial Clothing Allowance: WIC Sections 11460 and 11461 et seq. and the California 2001-02 Budget Act defines annual and initial clothing allowances as the amount paid by each county with State participation in addition to the AFDC-FC basic rate for the provision of clothing for an AFDC-FC child. This includes an initial supply of clothing, school or other uniforms, and disposable diapers for infants and for children who use disposable diapers as undergarments. The State supplemental clothing allowance does not supplant the regular County clothing allowance. Donated clothing may supplement but not supplant any clothing allowance provided by the State or County.

Foster Family Agency (“FFA”) Treatment and Nontreatment Program Rates: There are two types of FFA programs: "Treatment foster care or therapeutic foster care," and "nontreatment foster care." The California Department of Social Services has statutory responsibility for developing, implementing, and maintaining a rate setting system for FFAs receiving AFDC-FC funds. The FFA treatment rates are established by using the basic rate for the FFH plus a set increment for the special needs of the child, a maximum amount for social work activities, and a percentage for administration, recruitment, and training. The FFA nontreatment rates are established by using only the basic rate of the FFH and a specialized care rate when appropriate.

Foster Family Homes (“FFH”): Foster Family Homes, as defined in California’s Department of Social Services Community Care Licensing regulations, provide 24-hour care and supervision in a licensee's family residence for no more than six (6) children. Care is provided to children who are mentally disabled, developmentally disabled, or physically handicapped, children who have been removed from their home because of neglect or abuse, children who require special health care needs and supervision because of such disabilities, or children who are adjudicated wards of the court.

Group Home (“GH”): Group Home, as defined in CCL regulations, refers to a residential facility of any capacity that provides 24-hour non-medical care and supervision to children in a structured environment with the services provided at least in part by staff employed by the licensee. It does not include health facilities and clinics, County-operated juvenile halls, homeless shelters, or residential schools whose only function is education. Although a GH may be licensed to care for fewer than six (6) children, the vast majority of GH are licensed to care for six (6) or more children.

Infant Supplement: California Senate Bill 510 (Chapter 1066, Statutes of 1988) implements the Omnibus Budget Reconciliation Act (“OBRA”) of 1987, which amended sections of the Social Security Act, which requires the aid payment for a minor parent who receives AFDC-FC to also include an amount for the care of the minor parent’s child living with the parent in placement. CDSS Operations Manual, Division 11, Section 11-415.1 addresses the administrative standards for eligibility and assistance programs regulations for AFDC-FC program rates and states, “The infant supplement paid shall be a uniform amount to cover the cost of care and supervision of a child in addition to the rate that would otherwise be paid for the minor parent's placement.” Authorities cited are WIC Section 10553 and Section 10554. Reference: Sections 11465 and 11468, WIC. Children who are in receipt of Kinship Guardian Assistant Payments Program (“Kin-Gap”) benefits are also entitled to receive the infant supplement.

Intensive Treatment Foster Care Programs: WIC Section 18358 et seq. sets the requirements for implementing the Intensive Treatment Foster Care Program ("ITFC"). Rates for Foster Family Agency programs participating under this Section shall be exempt from the current AFDC-FC Foster Family Agency rate-setting system. Rates for Foster Family Agency programs participating under this Section shall be set according to the appropriate service and rate level based on the level of services provided to the eligible child and the certified foster family. For an eligible child placed from a GH program, the service and rate level shall not exceed the rate paid for GH placement. For an eligible child assessed by the County interagency review team as at imminent risk of GH placement or psychiatric hospitalization, the appropriate service and rate level for the child shall be determined by the interagency review team at time of placement.

Kinship Guardianship Assistance Payments Program: The Kinship Guardianship Assistance Payment Program was established by California Senate Bill 1901 (Chapter 1055, Statutes of 1998) to provide services to all children exiting the juvenile court dependency system on or after January 1, 2000 to live with a family member(s), relative legal guardian, or non-related extended family member. A delinquent ward may also be placed with a family member(s), relative legal guardian, or non-related extended family member. WIC Section 11364 et seq. establishes that Kin-GAP Program rates are to be paid on behalf of eligible children at an amount equal to one hundred percent (100%) of the basic rate paid to a licensed or approved FFH. Children who are in receipt of Kin-GAP benefits are also entitled to receive the infant supplement (see "Infant Supplement," below).

Special Care Increments: WIC Section 11461(e) (1) defines "specialized care increment" as an AFDC-FC approved amount paid with State participation on behalf of an AFDC-FC Client requiring specialized care, to licensed or approved family home facility with a capacity of six (6) or less, or in an approved home of a family member(s) or relative, or non-related legal guardian, in addition to the basic rate.

Contractor and its duly licensed certified substitute care providers shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. All substitute care providers shall be appropriately cleared by the Department of Justice ("DOJ") to perform substitute care services pursuant to the Article titled "Fingerprinting," and shall be licensed and certified as required by the State. Assumption or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with County's express prior written approval.

Contractor and its duly licensed certified substitute care providers shall have no claim whatsoever against County for payment of any money or reimbursement of any kind for any service(s) provided by Contractor or its duly licensed certified substitute care providers following the termination of this Agreement. Contractor shall not charge any Client or their family or guardian, or receive any fee or payment from any Client or their family or guardian, for services rendered pursuant to this Agreement. Contractor shall not charge or receive fees or

payments from any Client or their family or guardian for children referred to Contractor pursuant to this Agreement who are not actually placed in facility. Should Contractor receive any such payment, Contractor shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after termination of this Agreement or any overpayments made in error shall not constitute a waiver of County's right to recover such payment from Contractor.

Any payment made in error shall be returned to County within forty-five (45) days of receipt of said payment either by returning the check sent in error or by issuance of a new check made payable to County. This provision shall survive the termination of this Agreement. Notwithstanding the foregoing, if County does not remove Client from Contractor's GH facility following termination of this Agreement, County shall continue to pay based upon the GH's RCL rate. If County does not remove Client from Contractor's Certified Family Home following termination of this Agreement, County shall continue to pay for Client's residence based upon the current applicable monthly facility rate(s) established by the CDSS, Foster Care Funding and Rates Bureau.

Contractor shall maintain a Foster Care Funding and Rates Bureau facility rate(s) or, for a Contractor vendored by a Regional Center, authorization for payment of the Regional Center rate with AFDC-FC funds throughout the term of the Agreement.

Expenditures made by Contractor during the provision of services under this Agreement shall be in compliance and in conformity with the United States Office of Management and Budget ("OMB") Circular, A-122. Contractor is responsible for obtaining the most recent version of this Circular which is available online at <http://www.whitehouse.gov/omb/circulars/index.html>.

Charges for placements lasting less than a full month shall be prorated. Payment for placements shall commence the day Client is placed with Contractor and terminate the day before Client is removed. When Contractor agrees to hold a bed open for Client, Contractor shall document County's agreement to pay for the open bed in Client's record and shall request from County a written confirmation via fax of said requested open bed hold. County shall not pay for an open bed for a period in excess of seven (7) days.

Should Contractor, after having Client admitted to a psychiatric facility, unilaterally decide not to take Client back, all payments made to Contractor to keep the space available for that Client shall be returned immediately to County by Contractor, unless otherwise agreed to by County and Contractor in writing.

Emergency Shelter Care Rates: The term "emergency shelter care" refers to placements made with little or no advance notice pending court-ordered placement of Client. Emergency shelter care rates shall be pro-rated based on the current applicable monthly facility rate(s) established by CDSS, Foster Care Funding and Rates Bureau.

Reimbursement for Unique, Specialized Purchases: Purchases necessary to meet unique, specialized requirements that are specific to an individual Client and are critical to their safety and/or well-being shall be reviewed and authorized on a case-by-case basis by the County as follows:

- A. For Clients who are a dependent of the court, all such unique, specialized purchases must be specifically pre-approved in writing by County of El Dorado’s HHSA Director, Assistant Chief Director, Chief Fiscal Officer, or Child Protective Services Program Manager.
- B. For Clients who are a ward of the court, all such unique, specialized purchases must be specifically pre-approved in writing by the El Dorado County Probation Department’s Chief Probation Officer or Supervising Deputy Probation Officer.

Under no circumstances shall County reimburse Contractor or their duly licensed certified substitute care provider for any provisions, supplies, or other items that have not been pre-approved in writing. Contractor shall submit within thirty (30 days) following the month in which purchase was made, a detailed invoice accompanied by a copy of the purchase receipt(s) and the written authorization from the appropriate County department, i.e., HHSA, for Clients who are dependent children of the court or Probation Department for Clients who are wards of the court.

ARTICLE VI

Mandated Reporter Requirements: Contractor acknowledges and agrees to comply with mandated reporter requirements pursuant to the provisions of Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the California Penal Code, also known as The Child Abuse and Neglect Reporting Act and the Welfare and Institutions Code 15630 et seq. related to elder and dependent adults, as applicable.

ARTICLE VII

Criminal Record Clearances/Megan's Law: The California Health and Safety Code requires a background check of all applicants, licensees, adult residents, volunteers under certain conditions, and of all employees of community care facilities who have contact with Clients. If the California Department of Social Services finds that an individual has been convicted of a crime other than a minor traffic violation, the individual cannot work or be present in any community care facility unless they receive a criminal record exemption from the Community Care Licensing Division, Caregiver Background Check Bureau ("CBCB"). Simply defined, an exemption is a Department authorized written document that "exempts" the individual from the requirement of having a criminal record clearance. CBCB also examines arrest records to determine if there is a possible danger to Clients (Health & Safety Code Sections 1522, 1568.08, 1569.17, and 1596.871).

With the implementation of Megan's Law in 1996, a convicted, registered sex offender is classified as a "high-risk" sex offender, a "serious" sex offender, or as an "other" sex offender, as defined by California Penal Code Section 290 et seq. Sex offender registrants whose sex crime was against a victim under age 16 are prohibited by law from working, as an employee or volunteer, with minors if the registrant would be working with minors directly and in an unaccompanied setting on more than incidental or occasional basis or would have supervisory or disciplinary power over the child. If the registrant's crime was not against a victim under age 16, the registrant must notify the employer or volunteer organization of his status as a registrant. Failure to comply with this law is a misdemeanor offense (California Penal Code Section 290.95.). Additionally, every person who has ever been adjudicated a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, shall, after his or her release from custody, verify his or her address no less than once every 90 days and place of employment, including the name and address of the employer, in a manner established by the Department of Justice.

Contractor shall remain in compliance with all laws and Community Care Licensing requirements relating to Megan's Law while this Agreement is in effect.

ARTICLE VIII

Fingerprinting: Pursuant to California Penal Code Section 11105.3(a), "Notwithstanding any other law, a human resource agency or an employer may request from the DOJ records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care." Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers, and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers, and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor's sole expense. More specifically, Contractor agrees that:

- A. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor's sole expense.
- B. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor's employees, subcontractors, assignees, or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a

background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.

- C. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer, or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting and shall state whether or not the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (“DOJ”) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

ARTICLE IX

Medi-Cal Screening: If applicable, Contractor shall screen 100% of referred Clients for State Medi-Cal eligibility. The screening shall include, but not be limited, to:

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, the County of El Dorado is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which

services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XXVII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XXVIII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default with ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date on which the extension of time to cure expires. Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired.
- B. **Bankruptcy:** This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event the other party ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days upon written notice by County without cause to the other party for any reason. If such prior termination is effected, County shall pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

Exhibit A

HIPAA Business Associate Agreement

This Business Associate Agreement is made part of the base contract (“Underlying Agreement”) to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the “Effective Date”).

RECITALS

WHEREAS, County and Contractor (hereinafter referred to as Business Associate (“BA”)) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement; and

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the “HITECH” Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the “HIPAA Regulations”) and other applicable laws as may be amended from time to time; and

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103 ; and

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103; and

WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Definitions.** Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.

2. Scope of Use and Disclosure by BA of County Disclosed PHI
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 - (1) Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 - (3) Disclose PHI as necessary for BA's operations only if:
 - (a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (i) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
 - (ii) The third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
 - (4) Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 - (5) Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 - (6) De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
 - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308,164.310,164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
 - C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
 - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.
4. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
 - B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:
 - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if know, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy

of the individual's authorization, or a copy of the written request for disclosure.

- (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
 - D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
5. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
 - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
 - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
6. Term and Termination.
- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
 - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
 - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

- C. Effect of Termination.
- (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
 - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
- 8. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- 9. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- 10. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- 11. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
