Dear Planning Commission:

I am writing in support of the expanded use permit as applied for by DGV. We live across the street from the winery, and, since the new hard-wall event building went in, we have had no issue with any of the events held there. David is a really nice guy, and truly cares about the impact his winery has on the area. (He has asked us many times if we had any complaints) They are signing up with an event planning company in hopes of increasing their income from having more events. I see no problem with that. Traffic has NEVER been an issue.

Sincerely,

Rob & Gloria Vernon
Thompson Hill Rd.
