## 2011-2012 Annual Area Plan Update

AAA Name: El Dorado County

PSA Number: 29

This Annual Area Plan Update serves as the AAA work plan detailing the progress made toward specified goals during the period of July 1, 2010 through June 30, 2011. It provides a performance report for the community and the California Department of Aging. Review of goal objectives will be conducted during each annual Area Plan Update process. As development and implementation of organizational activities evolve, revisions will be made as necessary in response to the ever-changing landscape of our community and the persons we serve.

We, the undersigned, recognize the responsibility within each community to establish systems in order to address the care needs of older individuals and their families and caregivers in this Planning and Service Area. By signing below, we confirm that we have had the opportunity to participate in the planning process and to review and comment on this 2011-2012 Annual Area Plan Update.
