APPROVAL OF THE CONSENT CALENDAR**PUBLIC COMMENT ON CONSENT CALENDAR AND CLOSED SESSION ITEMS**

Public Comment: T. Cadero, L. Campbell, L. Cauchon, K. Payne

Supervisors Turnboo and Veerkamp dedicated the meeting today in honor of Richard "Uncle Fuzzy" Mason.

A motion was made by Supervisor Veerkamp, seconded by Supervisor Turnboo to approve the Consent Calendar with no changes.

Supervisor Parlin thanked Supervisor Ferrero for co-sponsoring the Older Americans Month Proclamation.

Supervisor Parlin thanked Chief Tim Cordero for his years of service and commitment.

Supervisor Laine made the following statement: "There were some important details that were omitted from the discussion last week to amend the Ordinance entitled Solid Waste Management to expand Mandatory Collection Expansion to Tahoma and Meeks Bay. The information that was provided by Tahoe Truckee Sierra Disposal (TTSD) in their slide deck was not specifically discussed and therefore has created some misunderstandings. To be clear, TTSD signed a Franchise Agreement in 2015 and was set to expire on September 28, 2022. An amendment was agreed to in 2022 to extend the contract through September 28, 2025. In 2025, TTSD formally approached El Dorado County with a desire to service the area as Residential Mandatory, as a condition of extension. A second amendment was signed in 2025 that extended the contract through September 28, 2028 and added a sentence that read "in the event that Residential service in the Franchise area has not become mandatory by County Ordinance by July 1, 2026." TTSD with 45 day notice could terminate the contract. If that were to happen, Tahoma and Meeks Bay would likely not have any type of Solid Waste Services for several months, the County would issue a Request for Proposals and likely TTSD would submit a proposal and require Mandatory Service. So, we would lose months of service and likely end up right back where we started from. Therefore, the Board is supporting Mandatory Service now to prevent months of lost services. El Dorado County and TTSD will negotiate the terms of what services will be provided as part of the Mandatory Service. TTSD has submitted their ideas on what should be included and El Dorado County will submit additional items to be negotiated out. Those specifics will be known on June 23, 2026 when El Dorado County holds a public hearing to consider the actual new rate structure going forward."
