

**RESOLUTION NO.**

**OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO**

**WHEREAS,** the County of El Dorado (County) owns Assessor’s Parcel Number (APN) 325-360-51, consisting of 1.31 acres located on Dusty Gold Court in Placerville, which was purchased by the County in 1979 for the purpose of the future extension of Ray Lawyer Drive; and

**WHEREAS,** the County has received a request to establish a non-exclusive utility easement across the County-owned parcel for the purposes of extending utilities to the adjacent parcel, and the adjacent parcel owner (Markie, APN 051-140-59) has agreed to pay County costs in fees for services; and

**WHEREAS,** the Department of Transportation has determined that the creation of a non-exclusive Public Utilities Easement (PUE) across the County-owned parcel will not be in conflict with the future Ray Lawyer Drive Extension Project; and

**WHEREAS,** the Department of Transportation has petitioned the Board of Supervisors to approve the establishment of said PUE across the County-owned parcel, APN 325-360-51; and

**WHEREAS,** pursuant to Government Code Section 25526.6, the Board of Supervisors hereby finds that the establishment of said PUE is in the public interest and will not substantially conflict or interfere with the use of the underlying fee ownership of the property by the County, and

**WHEREAS,** said PUE is described in Exhibit A and depicted in Exhibit B, attached hereto.

**NOW, THEREFORE, BE IT RESOLVED,** that from and after the date this Resolution is recorded, said PUE is hereby established as described in the attached Exhibit A and depicted in Exhibit B. The cost responsibility for any future utility installation, rearrangement, relocation, reconstruction and/or removal of any utilities located in the PUE shall lie solely with the owner of the utility and not the County.
