The request for bid is for the purpose of:

Purchasing nineteen (19) Chevrolet Tahoes through the State competitively bid contract for replacement vehicles that were identified as reaching targeted mileage.

Without this product or service, the impact to the department would be:

The safety of County staff is essential. It is imperative to replace vehicles that meet the target mileage to keep county costs down and provide staff with safe, reliable transportation. If the vehicles are not purchased, there is a possibility the vehicles could be removed from the departments and services would potentially be reduced.

Please list the individual(s) from OUTSIDE your department who will participate on the evaluation committee (Required for RFPs and RFQs)
