

Honorable Supervisor Parlin,

Please consider this letter a formal notice that I am resigning from my position as El Dorado County Planning Commissioner, District 4. My last day will be on or before September 30, 2021.

After much thought and consideration, I have decided it is best for me to dedicate my time to my business and family.

Thank you for the opportunity to continue to represent District 4 for the past 6 years. It has been a great honor to collaborate with planning staff, fellow commissioners, residents, and applicants. I have had the pleasure to meet new people who share the same affection I have for El Dorado County. I am also grateful for the opportunity I had to visit so many beautiful areas of our county.

I wish you all the best for the remainder of your first term and wish you success on your re-election next year. Hopefully the opportunity arises that we can work together again in the future.

Sincerely,
James Williams
El Dorado County Planning Commissioner, District 4
