RE: In Honor of Your Retirement

Dear Todd,

When a person dedicates their career to helping others achieve, and then hopes to slip away into retirement unnoticed, I have one thing to say, 'not a chance'.

Though not in front of the masses, televised for all county employees and residents to see at a Board of Supervisors meeting, the board wanted to honor you with this certificate of recognition.

Your service to El Dorado County has been exemplary and while 26 years may have flown by for you, it is a footprint indelibly placed for others to emulate.

I know I speak for the board when I say, thank you for being a part of the best there is about El Dorado County government, public service and the character and culture that inspires future professionals in the Community Development Agency (Building Department).

It won't surprise me that many things will be compared to and measured by how you did them.

Thank you, Todd, for your dedication to excellence and commitment to service. You will always be remembered and appreciated.

Sincerely,

Sue Novasel
District V Supervisor
