TO: County Medical Services Program Healthcare (CMSP) Governing Board

RE: El Dorado County Health and Human Services Agency

Date: 04/08/2025

This letter of commitment/support confirms that the County of El Dorado Board of Supervisors supports the application for a Healthcare Infrastructure Development (HID) Matching Grant by the El Dorado County Health and Human Services Agency (HHSA) for the amount of \$500,000 to provide matching funds towards HHSA's Bond Behavioral Health Continuum in Infrastructure Program (BHCIP) Grant, Round 1 application.

The County of El Dorado Board of Supervisors understands only one HID Matching Grant will be awarded in the county, and further understands HID Matching Grants are intended to help meet the local financial match requirement for CMSP counties to take advantage of healthcare infrastructure funding opportunities provided by state, federal or other programs to expand physical capacity to provide healthcare and behavioral health services.

The County of El Dorado Board of Supervisors commits to assuring that the healthcare infrastructure funded by the HID Matching Grant shall be used for its intended purpose for the entire period required under the federal, state or other primary grant received by the County of El Dorado.

For any future communications, please contact the Clerk of the Board at (530) 621-5390 or via email at [edc.cob@edcgov.us](mailto:edc.cob@edcgov.us).

Sincerely,

Chair,

George Turnboo, County of El Dorado Board of Supervisors
