The El Dorado Hills Chamber of Commerce is in full support of bringing Entertainment Zones to El Dorado County (El Dorado Hills) to further enhance and strengthen our business communities.

After reading an article in the *Business Journal* about Entertainment Zones last May and the positive impact they can have on business districts, the Chamber reached out to Kevin Nagle to ask whether he was familiar with the concept and whether he would be interested in exploring one for El Dorado Hills Town Center. Of course, the answer was "yes", on both questions.

The Chamber then approached leadership at the County with the idea, recognizing that Entertainment Zones could serve as an economic development tool not only for El Dorado Hills Town Center, but also for other business districts throughout El Dorado County. Now, months later, the concept is being brought forward for consideration by the Board of Supervisors.

Entertainment Zones can enhance commerce by encouraging foot traffic, creating a more vibrant and engaging atmosphere, supporting restaurants and retailers, attracting visitors, and providing new opportunities for community events, live entertainment, and local business promotion. When thoughtfully implemented, Entertainment Zones can help create active, welcoming destinations that benefit businesses, residents, and visitors alike.

Thank you.
