Dear Supervisor Turnboo,
I would like to address your pending appointment of a director to our Fair Board.

Like so many others, we were deeply saddened at Gay's passing. She had invaluable experience to contribute to our fair as well as our daily operations, and she is missed.

That said, I understand you are planning to appoint Vickie Sanders to our Board. I have worked directly with Vickie for many years during her time as Department Head of Parks and Trails. Vickie is a wonderful person to work with; her knowledge of our county and its residents will be a great asset to our fair board, and she deeply cares about improving all that she touches. Her grant writing experience could be invaluable to us, and I wanted to let you know that I am very excited and highly approve of your selection!

As always, if there is anything I can do to assist with this matter or anything else, please do not hesitate to let me know.
