Re: Notice of Intent to Adopt Resolution of Necessity

Diamond Springs Parkway 1B, CIP #72334,

Assessor's Parcel No.: 051-250-011 ("Subject Property")

Owner: Martin Murillo and Diane S. Murillo, Trustee of the MDM Trust  
under Declaration of Trust Dated December 18, 2007

Mr. and Mrs. Murillo,

The El Dorado County Department of Transportation is in the process of acquiring right of way for the Diamond Springs Parkway 1B Project, CIP #72334. The law provides procedures for public agencies to acquire private property for public use. It requires every agency which intends to condemn property to notify the owners of its intention to condemn. California Code of Civil Procedure (CCP) Section 1240.030 provides that the power of eminent domain may be exercised to acquire property for a proposed project if the following three conditions are established:

- (A) The public interest and necessity require the project.
- (B) The project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
- (C) The property sought to be acquired is necessary for the project.

Also, CCP Section 1245.230 requires that the offer required by Section 7267.2 of the Government Code has been made to the owner of record, unless the owner cannot be located with reasonable diligence. A written offer required by Section 7267.2 of the Government Code was sent to you on August 19, 2020 at the address that was listed on the last equalized county assessment roll.

You are hereby notified that the County of El Dorado Board of Supervisors, at its meeting to be held on December 8, 2020 at 8:00 a.m., at 330 Fair Lane, Building A, Placerville,

California, will be asked to decide if the above conditions have been met concerning your property and, if so, to adopt a Resolution of Necessity ("Resolution") to acquire a portion of your property by eminent domain. Questions regarding the amount of compensation to be paid or the value of the property to be acquired are not part of this proceeding and the Board of Supervisors will not consider such in determining whether a Resolution should be adopted.

The Board of Supervisors' adoption of the Resolution authorizes the County of El Dorado (the "County") to acquire the property by eminent domain. Within six months of the adoption of the Resolution, the County will prepare and file a complaint in Superior Court commencing the eminent domain proceeding. All issues related to the compensation to be awarded for the acquisition of your property will be resolved in this court proceeding. A description of the required property is attached to this notice.

The law provides you an opportunity to appear before the Board of Supervisors and raise questions concerning the three conditions referred to in CCP 1240.030 as cited above. You are entitled to appear in person or by video conference and object to the adoption of the Resolution. If you intend to appear, please provide a written request to appear before the Board no later than 15 days from the mailing of this notice and include a statement indicating which of the three conditions listed in the first paragraph above you contend have not been met. By designating which of the conditions form the basis of your challenge and explaining why you believe they have not been met, you will enable the County Board of Supervisors to conduct a full and expeditious review of the project's effect on your property. The request to appear should be sent to: Clerk of the Board of Supervisors, County of El Dorado, 330 Fair Lane, Placerville, CA 95667.

Your written request to appear must be on file with the Clerk of the Board of Supervisors within the 15-day period set forth above. Failure to timely file a written request to appear will result in a waiver of your right to appear and be heard by the Board of Supervisors.

For your convenience, if you are unable to personally appear or video conference and choose to submit written objections in place of a personal appearance, the Board of Supervisors will consider any written objections so long as they are received by the Clerk of the Board of Supervisors prior to the meeting date. All written objections filed with the Board of Supervisors will become part of the official record of the meeting at which the Board of Supervisors hears the Resolution.

If you have any questions, please call me at (530) 621-5313.

Sincerely,  
  
Tanna Reynoso,  
Associate Right-of-Way Agent
