Dear Council,

Oh, dear, I think I was suppose to type up a professional letter of resignation. In my haste to pack and leave for London, I forgot. Please forgive me. I have so much enjoyed my time on this board and am very impressed with the professional knowledge, experience, and expertise each one of you brings to the table - you are awesome.

I hope our paths cross again in the future. If I can ever be of assistance in any small way, please let me know.

Sent from the computers in the college lab in London. :-)

I am having the time of my life. Saw the Queens Jubilee 4 day celebration and it was awesome. Then the National Gallery and the National Portrait Gallery, and then the British Museum and then the British Library and Hamlet at the Globe theater in the rain and on and on.....checking off my "bucket list."

Barb
