Dear Board of Supervisors,

I request that you support the efforts of the Shingle Springs Community Alliance, No San Stino, and Stop Tilden Park groups to continue moving forward with creating a Community Plan for Shingle Springs. I further request that you assist in the process of adopting the Shingle Springs Community Plan into the El Dorado County General Plan so that Shingle Springs can preserve its quality of life for generations to come.

Thank you,

Dear BOS,

Keep Shingle Springs rural. We do not want multi-level housing, more concrete, more asphalt and more people.

Dear Ron,

I urge you to support the creation of a Community Plan for Shingle Springs. You promised to support rural land use when you ran for Supervisor. I hope you still have that commitment to allowing residents to protect their rural lifestyle. Shingle Springs has always been rural and needs to remain rural. We live on property that was homesteaded by our family in 1867. It is our hope it will remain in our family for our children and grandchildren.

Put your efforts into a viable and healthy Cameron Park, Missouri Flat Corridor and Placerville, and leave Shingle Springs as the important rural community it is now. I expect you to adopt the Shingle Springs Community Plan into the El Dorado County General Plan so that we can preserve our quality of life for generations to come.

Thank you,

Maria Brugger
