**RE:** BOS Item #23-1374 – Retroactive Agreement #7876 Marin County Probation

---

The purpose of this memorandum is to provide information in support of the retroactive nature of the Board of Supervisors Item #23-1374 for agreement 7876 with Marin County Probation Department.

El Dorado County Probation Department (El Dorado) has established Juvenile Detention Facilities (JDF) for the temporary or long-term commitment of youth detained in accordance with the provisions of the California Welfare and Institutions Code.

On June 8, 2023, the El Dorado County Probation Department (Probation) was notified by Marin that Marin wished to enter into an agreement to send Marin youth to the South Lake Tahoe Juvenile Treatment Center (JTC) as needed. A draft agreement was sent to Marin on June 9, 2023. Marin approved the draft on June 27, 2023. The remainder of the contract process was moved along as efficiently as possible, with the earliest Board of Supervisors date scheduled for August 15, 2023.

On July 10, 2023, Marin notified Probation of two Marin youth needing placement at the JTC. Probation intends to make the effective date of Agreement #7876 retroactive to July 1, 2023, so as not to disrupt any treatment plan in place for affected youth. Marin County Probation Department desires to place youth of its Juvenile Court in an El Dorado JDF, to the extent that accommodations exist. Rates payable to El Dorado are \$350.00 per day per bed, \$400.00 per day per bed for Commitment Programming, and \$475.00 per day per bed for youth placed in the Secure Track Program.

Thank you for your consideration.
