

EL DORADO COUNTY COMMUNITY ACTION COUNCIL

330 FAIR LANE, BUILDING A

PLACERVILLE, CA 95667

WHO WE ARE

- Community Action Agencies were created by the federal government in 1964 to combat poverty in geographically designated areas. Our local Community Action Council (CAC) is made up of elected public officials, private sector community agencies and low-income representation by residents or organizations.

PURPOSE AND MISSION

- The purpose of our council is to advise the El Dorado County Board of Supervisors and the Health and Human Services Agency about the needs of the community focusing on low-income residents. The council's mission is to provide education to the community on available resources and develop collaborative solutions to improve the quality of life.

VISION AND VALUES

- The council values the community's needs and connects them with community resources while recognizing the need for a greater change.
- Focusing on commonality, inclusion and meeting people where they are to bring people together and improve their lives.
- The council envisions the community as a place where every individual can thrive and inspire hope through access to resources and community connection, one person and family at a time.

WHAT WE DO?

PUBLIC
OUTREACH

INFORMATION
SHARING

PROGRAM
REVIEW

PUBLIC OUTREACH

- Connecting low-income residents to resources and services by providing information tangibly
- Increase visibility of low-income programs through Press Releases, Community Resources web pages, and other avenues.
- Promote effective ways of communication and collaboration to raise awareness of low-income programs among all residents.

INFORMATION SHARING

- Provide opportunities for different and/or charitable organizations and groups to share their experiences locally.
- Contribute to useful discussions about how best to serve community members.
- Share information about different organizational operations and how to be more effective.
- Promoting local events and fairs that may be of benefit to the low-income community.

PROGRAM REVIEW

- Review and promote programs/services and opportunities that are beneficial to low-income residents.
- Consider the feasibility of low-income programs, due to many factors such as funding.
- Overcoming stigmas associated with certain behaviors and/or assistance programs.
- Reflect upon prior assistance programs and their successes.
