District V-Sue Novasel
District IV-Michael Ranalli

Supervisors,

Attached you will find a detailed matrix that explains each section of the Fire Code Adoption Ordinance as adopted locally, what the specific change was, how it was adopted, and why it was adopted. These changes to the Fire Code have all been adopted at the local Board of Director level for each of the following fire districts:

1. Cameron Park
2. Diamond Springs
3. El Dorado County
4. El Dorado Hills
5. Georgetown
6. Lake Valley
7. Meeks Bay / North Tahoe (this district has differing requirements and has already submitted its own matrix of explanation)
8. Mosquito
9. Pioneer
10. Rescue

This matrix is provided to help clarify what is needed for Fire and Life Safety in El Dorado County. We are hopeful that this will provide the appropriate information to allow you to ratify each district ordinance at the next Board of Supervisor meeting on February 7th, 2017.

Thank you for your time,

Marshall Cox
