

APPENDIX "A" TO THE HELICOPTER SERVICES CONTRACT

Between Siller Helicopters, Inc. and County of Eldorado, California.

This Appendix "A" to the cited Contract forms an integral part thereof and is incorporated fully therein by reference. The items set forth below shall have the meaning and relevance attributed to them within the text of the Contract. References to paragraphs are for convenience, and are not intended, by the inclusion or omission of such reference, to alter the full text of the Contract to which this Appendix "A" is annexed.

Paragraph 1: Services: Helicopter transportation of road materials

Job Title: Rubicon Trail

Cargo: Rock

Maximum Weight: 10,500 lbs. of payload*, per trip at 7,000' (10 deg. C), with a one-way flight distance average of (7.5) statute miles

**Payload defined as weight of customer's rock (not buckets or rigging) in Siller supplied rock buckets.*

Make and Model of Helicopter: Sikorsky S-64E (N4037S) or CH-54A (N9125M)

Paragraph 2: Materials & Equipment: Rock buckets with rigging supplied by Siller.

Paragraph 3: Personnel: (1) Siller radioman at lift site, (2) at set sites, (1) Siller project manager. (2) Eldorado County at lift site along with adequate personal to load rock buckets.

Paragraph 4: Customer's Responsibilities: Comply with Customer Checklist, Job Hazard Analysis and Lift Plan.

Customer will obtain and pay for any other state, county and city permits that may be required. Should police, fire or security personnel be required on the site for any reason including traffic control, Customer will arrange and pay these costs.

Customer agrees to secure a suitable staging area that is level and has a clear flight path. If the staging area or set site is sandy or dusty, Customer agrees to supply a water truck or other form of dust abatement. FAA regulations require that all people, cars and buildings within 150 feet of the pick site, set site and along the flight path of the helicopter be evacuated during lift operations.

Paragraph 5: **Place:** Rubicon Trail, Eldorado County, CA

Paragraph 6: **Starting Date:** October 18, 2017

(Aircraft arrive at jobsite October 17 at 1100 hours)

Finish Date: October 21, 2017

Paragraph 7: **Price:**

Mobilization: \$ 10,125

Demobilization: \$ 10,125

Hourly rate: \$ 12,800

(21.85 hours flight time on site): \$ 279,750

Total (Mob/Demob and 21.85 hours flight time): \$ 300,000

Siller Helicopters MD 500 will be available for crew shuttle, estimated at (3) hours total flight time, including roundtrip Mob/Demob, at no cost to Eldorado County.

Any delays in performance beyond the Finish Date, including, without limitation, weather delays, (including without limitation high winds), are subject to the daily minimum in addition to the amounts set forth above and in Paragraph 7 of the Contract.

Payment terms: Net 30 days

Paragraph 8:

Addresses:

Siller Helicopters, Inc.
1250 Smith Road
Yuba City, CA 95991
530-674-9460

Customer:

County of Eldorado
330 Fair Lane, Building A
Placerville, CA 95667
530-621-6060

The foregoing is adopted and agreed by the parties as part of the aforesaid Contract between them, simultaneously with the execution thereof. This agreement shall

become binding upon the receipt by each party of a copy hereof showing the signature of the other party.

The County Officer or employee with responsibility for administering this Agreement is Vickie Sanders, Parks Manager, Chief Administrative Officer, Parks Division, or successor.
