Dear Supervisors,

After being informed of the hearing tomorrow March 6th, 2018 , Richard Young's appeal of fines for a number of VHR violations and the events that occurred at his VHR Saturday night 3-3-18. In which the sheriff had to be called out for noise, I have to insist that he pay said fines, but also have his VHR permit revoked. His VHR has been a nuisance for the whole time he has owned the property. This continual disruption of our peace & sense of well-being, as well as the emotional duress , stress , and the burden of having to call the sheriff, and deal with the keeping a record of all the incidents has become overwhelming!

Three weekends ago, same thing, people waking us up at midnight, outside talking, wandering around. We have endured this abuse for far too long. We have called the Tax Collector's office, sent in complaint forms, pictures, etc. Until the hearing with the County Attorney , our pleas for help and relief have been ignored. Please do the just & right thing. Thank You for taking time to read our letter as we are unable to attend this appeal Tuesday, March 6, 2018.

Richard
