Review Flags

Review and Submit Status (Flags generated and reviewed)

Severity	Status	Source	Type	Description
Correction Required	Closed	Quarterly Report	Submitted Quarterly Report without entering any data	You have tried to submit a quarterly report without entering any data. Please enter all data or set the status of your quarterly report to exempt if you do not meet the threshold limit for reporting for the quarter.
Informational	N/A	On Site Uses	Facility total disposal tons disposed, disaster debris disposed, designated waste disposed change for a quarter different than prior year same quarter and exceeds the threshold (very significant).	The total tons of MSW disposed by your facility in 2024 Q3 was significantly different (50% or more) than the amount disposed in the prior year same quarter. This flag appears to notify you of the significant change in disposal and help you determine if there are any data entry errors or issues in reporting accuracy in your report.
Correction Required	Closed	Inflows	Methods used to determine tons accepted from other facilities or direct haul and reasons for changing default inflow tons questions not completed.	The 'Methods used to determine tons accepted at the facility' section in the Inflows tab has not been completed. Please check one or more methods used to determine tons accepted at your facility to close this flag. Also if you have modified any of the default tonnages in the 'Materials accepted at your facility from transfer/processors (that reported in RDRS)' table please check the reasons why.
