Supervisor Norma Santiago
330 Fair Lane
Placerville, CA 95667

Supervisor Santiago,

This letter provides additional information for my County of El Dorado Board, Commission or Committee Application. I have been a resident of the South Shore since 2000 and a property owner in the County since 2003. My wife and I both work on the South Shore and are currently raising our family in the County. Professionally, I am an owner/associate of an engineering and planning consulting firm on the South Shore and my wife is a CPA with her own practice in the County. My interest in serving on the Tahoe Regional Planning Agency (TRPA) Advisory Planning Commission (APC) on behalf of the County stems from a strong desire to improve our community and continue to make the County and South Shore a place I want to live, work and raise my family.

As a technical professional (planning & engineering) and business owner I will bring a unique perspective to the APC on behalf of the County and our residents. Due to my professional experience I am very familiar with the TRPA Regional Plan, Compact and Code of Ordinances along with the planning processes associated with the agency and APC. As you know, the Lake Tahoe Basin and particularly the south shore are entering an incredibly important time and being familiar with the background, context and intent of these planning documents is critical. I look forward to representing the County on the APC and working closely with you to see local goals achieved.

Respectfully,

A handwritten signature in cursive script that reads "Jason Drew".
