Board of Supervisors, El Dorado County

It is with a level of sadness, that I inform you, that as of October 31, 2014, United Outreach of El Dorado County will no longer be operating their Transitional Housing Program utilizing the property that we have been leasing from the County and located at Perks Court.

For the past five years, El Dorado County in an instrumental way, has provided United Outreach with the use of this property for a very nominal fee, which has made it possible for us to run a very successful program that has many individuals and families with small children. This program has had a continued success rate of over eighty percent in helping those citizens of our county who have found themselves in unforeseen difficult circumstances find a way back into permanent housing and steady employment.

Our ability to accomplish this daunting task would have been impossible without the support of the Board. You have all been a constant source of encouragement to us and we are extremely grateful for the opportunity to have helped so many at the Perks Court site.

We are intrigued to find ourselves in this position at the same time that the lease for the facility is up for consideration and the fact that within the last two weeks we have just successfully graduated the balance of our clients. We will always be grateful to have partnered with the County in this very satisfying venture.

Sincerely,

A handwritten signature in black ink that reads "Craig Klatt". The signature is written in a cursive style with a long horizontal flourish extending to the right.

Craig Klatt
Vice President
United Outreach of El Dorado County
