**Subject:** 7-30-2024 BOS Agenda Item #4 Ambulance JPA audits

**Dear Board Members,**

**I recommend that you continue this matter off calendar.**

**This audit firm has audited the West Slope Ambulance provider for the last 5 years. This agenda item proposes to engage the same audit firm for 3 more years. The periodic rotation of audit firms is a sound and recognized practice. I have had a couple of brief conversations with the CAO's Office regarding this item, and it is reasonably likely that we may come back to your Board in the very near future with a revised recommendation.**
