**Purpose:** Briefly describe how the funds will be used to serve veterans in El Dorado County (e.g., To provide essential services and support to veterans in need, including housing assistance, transportation, meals, and wellness programs.)

We have an estimated home housing assistance project for a local veteran of Pollock Pines, CA . The extent of damages to the home total in extensive amount of over 20,000.00. We have been able to source lowered cost building materials, skilled laborers, dump trailer and a clear schedule. With these funds we can make significant repairs and replacement of rotted Cantilever's which are structural components of the home.  
The project consists of a two level porch that had collapsed on top of one another completely destroying both porches and safe entry into the home. With these emergency funds we will removed all damaged materials, build all new decking with proper hand rails, new stairs, and two new entry points. The extensive rot of existing cantilever's are at risk of compromising the structural integrity of their home. We adamantly request emergency fund grant dollars to make this free and charitable home repair for this veteran familv
