Subject: EDD Extension request

Good morning, attached are documents regarding a requested extension of the current El Dorado Disposal Franchise Agreement specific to delays with the construction of our new MRF per the Covid-19 pandemic. Please review, feel free to ask any related questions and we will look forward to presenting this request to the BOS at the earliest opportunity. Also, our SB 1383 Leaders Guide is sent to print and when we have it in hand, will share with you and plan in-person informational meetings with the Supervisors.

Thank you,
