

West Branch - NorCal

OUR MISSION //

Team Rubicon is a veteran-led humanitarian organization that serves global communities before, during, and after disasters and crises.

Our Capabilities:

- **Wildfire Mitigation, Recovery and Defensible Space**
 - Saw teams capable of cutting down hazard trees
 - Bucking and limbing downed trees
 - Perform Defensible Space work in accordance with CalFire recommendations.
 - Ingress/Egress route clearance
- **Defensible Space Assessments**
 - NFPA trained volunteers capable of performing Home Ignition Zone/Defensible Space assessments.

Operation Golden Grizzly

Focused on El Dorado County

April 19 – May 21, 2024

Team Rubicon will have ~ 50 volunteers per day, working 7 days a week, serving El Dorado County communities.

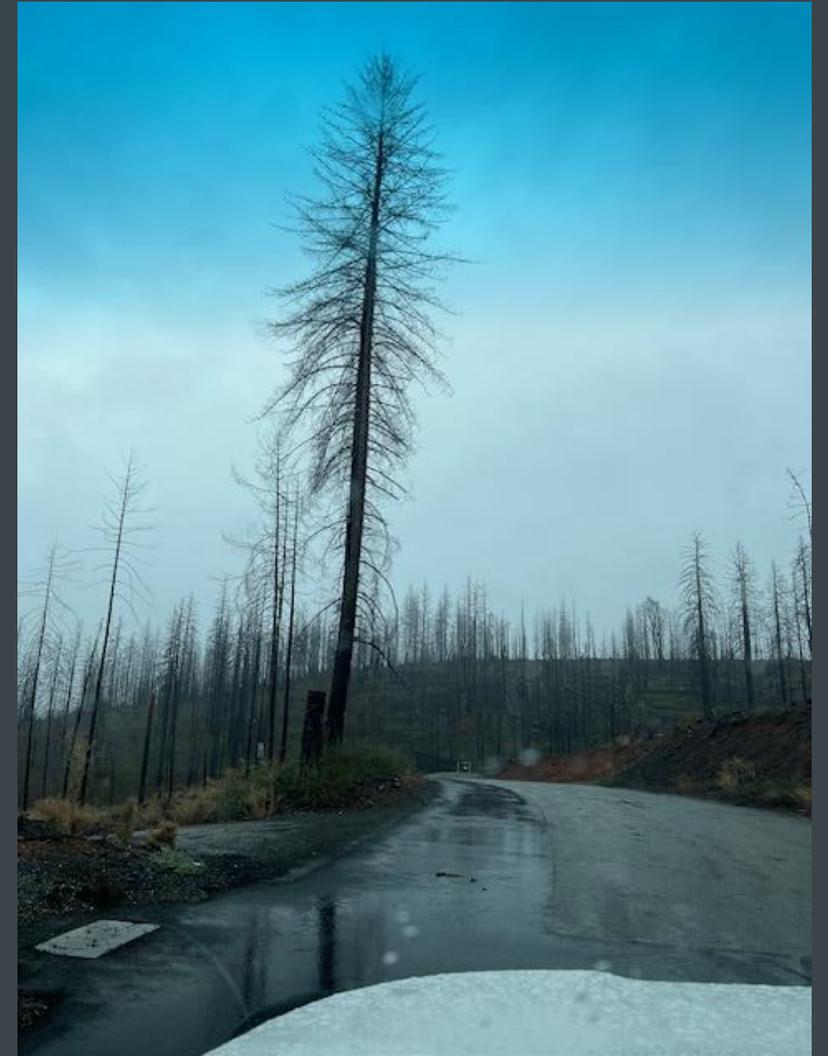

Scope of the Operation:

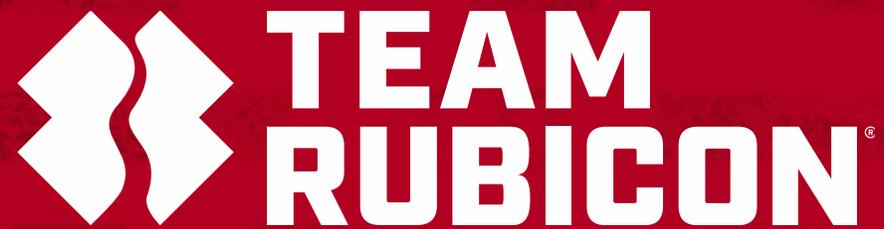

- Hazardous tree removal
- Fuel reduction
- Defensible Space clearing

Focus on EDC Communities

- EDC Resource Conservation District (RCD) has provided Team Rubicon with 120+ locations for hazardous tree removal.
- EDC Firesafe Council has a list of homeowners that have signed up for assistance with defensible space clearing
- Beyond Operation Golden Grizzly, Team Rubicon will continue to support EDC and surrounding counties.
