E-mail address: [marketing@tcmgroupinc.com](mailto:marketing@tcmgroupinc.com)

Total Amount Requested (Limit: \$5,000): \$5,000\_\_\_\_\_

## Event/Project Description

1. Describe the purpose of the event/project/organization for which funds are being requested. The Town Center East Owner's Association is a Not-For-Profit entity that puts on Community events for free to the public. The purpose of our event is to have a fun, safe, event to celebrate our independence. We have had this event for 10 years. We are bringing it back after a three-year break due to Covid. We are asking for funds to help pay for the extreme expense we have for safety of our attendees. We must hire EDSO which is about \$5000, EDH Fire who has not charged us in the past, but with their new policies will have a bill of \$5500 this year, CHP comes in at over \$9000, we have two private security companies out that evening that comes in about \$9500 for both, not to mention the efforts to move people out safely with our road closures that cost us \$18,000. Just for safety logistics our bill this year will \$47,000. This does not include the fireworks, entertainment, rentals, and other costs. So, these funds, if granted, will help pay for a small part of the safety logistics. This would be very helpful and greatly appreciated as the cost of safety and logistics have gone up and we want to make sure we have proper safety protocol in place for this large community event.

- 
2. How will the event/project support or produce a public benefit to El Dorado County? This event attracts people from everywhere. We have people that have been coming to this event historically from the bay area, other states, and all over our region. They love to come as we provide a fun and safe event for their family. The hotels fill up and we bring revenue to our businesses and our county.
