Dear Elizabeth Blakemore,

This letter is to inform you that I need to resign from the Child Abuse Prevention Council (CAPC). The unfortunate conflict of other Board meeting obligations is the reason for my inability to attend CAPC. I have Lake Tahoe Chamber Board and Live Violence Free Board meetings scheduled on the third Thursday of every month. My apologies for any extra work I may have caused anyone due to this short period on the Council.

I know that you and the rest of the CAPC are doing wonderful things in El Dorado County. I hope you will continue to reach out to me if I can help fill any task you need done in the South Lake Tahoe area.

Again, I regretfully resign before attending even one meeting! I was truly looking forward to learning and serving on CAPC.

Best wishes,

Jane Flavin
