PLAN OF COOPERATION BETWEEN
EL DORADO COUNTY DEPARTMENT OF CHILD SUPPORT SERVICES
AND
TEHAMA COUNTY DEPARTMENT OF CHILD SUPPORT SERVICES

Introduction

The Tehama County Department of Child Support Services, hereinafter referred to as TCDCSS, and the El Dorado County Department of Child Support Services, hereinafter referred to as EDCDCSS will enter into a collaborative Plan of Cooperation (POC) in an effort to assist the CA Department of Child Support Services (CADCSS) to promote statewide cost-effectiveness and efficiency, as well as for the purpose of providing Legal Attorney assistance to TCDCSS to ensure continuity of legal access and services to the families of Tehama County. The intent of this POC is to ensure TCDCSS can fulfill its responsibilities to manage child support cases for Tehama County and to allow EDCDCSS to supplement its allocation.

Term

EDCDCSS will provide Legal Attorney services to TCDCSS by appearing on the Title IV-D Child Support calendars and by providing legal guidance and approval of documents August 1, 2024, to June 30, 2025. Either party, upon a written 30-day notice to the other may elect at any time to cease its effort and stop participating in this POC. If neither participant has given notice to discontinue participation in this POC by one month prior to the end of the state fiscal year, these terms shall be re-adopted for the following fiscal year, terminating June 30, 2026.

Amendments

With written agreement from all parties, and board approval from both counties, this POC may be amended to extend or reduce the POC dates, or make future adjustments for material changes in the child support program (funding, rankings, laws, etc.)

Roles and Responsibilities of Both Parties

- TCDCSS and EDCDCSS shall remain separate and distinct programs operated within the respective counties. It is specifically and expressly understood that the

EDCDCSS attorneys assigned hereunder are employees of El Dorado County and are not employees of Tehama County for any purposes whatsoever. It is specifically and expressly understood that this POC creates no relationship of employer/employee between County of El Dorado and County of Tehama. TCDCSS shall have no right to, and shall not, control the manner or prescribe the method by which the professional services are performed by the assigned EDCDCSS attorneys, and it is understood and agreed that these attorneys will continue to provide the same or similar services for EDCDCSS and other entities without restriction. EDCDCSS shall be entirely and solely responsible for its acts and the acts of its agents and employees while engaged in the performance of services hereunder.

- EDCDCSS will assign attorney support to TCDCSS to provide court coverage, legal document review and approval, and legal guidance related to child support cases and policies. Attorney support will be assigned based on availability and according to the existing EDCDCSS practices for case or task assignment.
- It is anticipated, and this contract provides a maximum obligation of a 17hr/week assignment.
- The EDCDCSS Attorneys assigned to provide legal services to TCDCSS will continue to be under the supervision of EDCDCSS and subject to EDCDCSS policies and procedures at the direction of the EDCDCSS Director.
- The EDCDCSS Attorneys assigned to provide legal services agree to follow Tehama DCSS local case management policies and procedures, when within legal boundaries of the law. Any revisions thereof shall be reviewed and approved by the EDCDCSS Director prior to implementation by EDCDCSS Attorneys. The EDCDCSS and TCDCSS Directors agree to consult in good faith on any policies or procedures of EDCDCSS and TCDCSS that conflict.
- It is anticipated that all attorney appearances for court calendars, except for contested hearings and trials, will be remote, and virtual appearances are allowed by the court of TC DCSS. If this changes, it will be considered a material change to this POC and will require re-evaluation based upon this change. In addition, changes to attorney staffing levels at EDCDCSS would be a material change requiring a re-
