**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Supervisors of
the County of El Dorado
Placerville, California

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of El Dorado (County), as of and for the year ended June 30, 2011, which collectively comprise the County's basic financial statements and have issued our report thereon dated March 28, 2012. Our report was modified to include a reference to other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority, component units of the County, as described in our report on the County's financial statements. This report does not include the results of other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

To the Board of Supervisors of
the County of El Dorado
Placerville, California

Internal Control Over Financial Reporting (continued)

We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, Board of Supervisors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Supervisors of
the County of El Dorado
Placerville, California

Compliance

We have audited the compliance of the County of El Dorado (County), with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2011. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulation, contracts, and grants applicable to each of its major federal programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit. The County's basic financial statements include the operations of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority which expended \$820,733 in federal expenditures. The federal expenditures expended by these entities are not included in the attached Schedule of Expenditures of Federal Awards. Our audit, described below, did not include the operations of these entities because these component units engaged other auditors to perform separate audits in accordance with OMB Circular A-133.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the County's compliance with those requirements.

To the Board of Supervisors of
the County of El Dorado
Placerville, California

In our opinion, the County complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control Over Compliance

The management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the County's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

To the Board of Supervisors of
the County of El Dorado
Placerville, California

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2011, and have issued our report thereon dated March 28, 2012 which contained unqualified opinions on those financial statements. Our report includes a reference to other auditors. Our audit, described below, did not include the operations of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority because these component units engaged other auditors to perform separate audits in accordance with OMB Circular A-133. Our audit was performed for the purpose of forming opinions on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of management, the Board of Supervisors, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

COUNTY OF EL DORADO

Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2011

Note 1: **Reporting Entity**

The accompanying Schedule of Expenditures of Federal Awards (Schedule) presents the activity of all federal award programs of the County of El Dorado (County), with the exception of the federal award programs of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority, which were subject to separate audits by independent auditors. The El Dorado County Transit Authority expended \$820,733 of federal awards. The County's reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies, as well as federal awards passed through other governmental agencies, are included in the Schedule.

Note 2: **Basis of Accounting**

The accompanying Schedule includes the federal grant activity of the County, and is presented on accounting principles generally accepted in the United States of America. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

Note 3: **Relationship to Financial Statements**

The expenditures reported in the accompanying Schedule agree, in all material respects, to the associated expenditures reported within the County's fund financial statements. Specifically, with the exception of federal award expenditures reported on a cash basis, federal award expenditures accounted for under governmental fund types use the modified accrual basis of accounting while those accounted for under proprietary fund types use the accrual basis of accounting. Federal award expenditures that are required to be reported by the federal cognizant agency on a cash basis have been reported on the Schedule on a cash basis. Any differences between the cash and modified accrual basis of accounting for these expenditures are immaterial.

COUNTY OF EL DORADO

COUNTY OF EL DORADO

Notes to Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2011

Note 6: **Pass-Through Grantor Award Number**

When federal awards were received from a pass-through entity, the Schedule of Expenditures of Federal Awards shows, if available, the grantor award number assigned by the pass-through entity. When no grantor award number is shown, the County has either determined that no grantor award number is assigned for the program or the County was unable to obtain a grantor award number from the pass-through entity.

Note 7: **Department of Aging Federal/State Share**

The California Department of Aging (CDA) requires agencies that receive CDA funding to display state-funded expenditures discretely along with the related federal expenditures. The County expended the following federal and state amounts under these grants:
