**Attention all NAMI Families and
Friends!**

**Tuesday, Aug. 25th, at 10:00 AM,
the El Dorado County Board of
Supervisors will vote on the latest
MHSA 3 year plan which includes a
pilot program for Assisted
Outpatient Treatment (AOT) also**

known as Laura's Law.

What is Laura's Law?

Laura's Law is a process that allows courts to compel individuals with severe mental illness who lack insight into their own illness and who have a history of arrest and/or hospitalizations to stay in treatment as a condition for living in the community. Programs in other counties and states show this program keeps people safer, improves chances for recovery, reduces homelessness, substance abuse, and suicide, and saves money.

NAMI El Dorado County encourages you to come and show your support for county mental health services and this pilot program this Tuesday.
