Dear Norma:Serrano has requested that items 14 and 15 on the Tuesday Agenda be continued for one week. We got the lengthy staff reports last night and would like to appropriately review and respond to much of what was contained therein. A week will allow us to do that. On a personal note, I need to continue to attend the funeral of my uncle who died in a boating accident in Tahoe earlier this week. His funeral is Tuesday morning. We would appreciate your support of this request. Because we have consultants from out of town, we would like to confirm this continuance, if possible, on Monday. Thanks.
Mike
