RE: Buckeye Parcels Annexation to the Georgetown Divide Public Utilities District
LAFCO Project No. 2010-02

Dear Mr. Henriquez,

After meeting with Hank White of GDPUD, the Board of Directors of Georgetown Fire District has determined that we withdraw our opposition to the Buckeye annexation. The issue was discussed and voted upon at a special meeting held on July 30, 2010. The vote was 4-0 to withdraw any objections that were formerly sent to you.

Please accept our apologies for any misunderstandings and disregard the initial correspondence.

Sincerely,

Gary Richardson
