

**RESOLUTION NO. 053-2017**  
**OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO**  
**SPECIAL DISTRICTS CONSOLIDATING BOARD ELECTIONS**  
**WITH STATEWIDE GENERAL ELECTIONS**

**WHEREAS**, Special Districts (“District or Districts”) in the County of El Dorado listed on Exhibit A to this Resolution have historically conducted their Board member elections in odd-numbered years; and

**WHEREAS**, the District determined that voter participation could be greater and election costs could be lower if District elections were held in even-numbered years on the same dates as statewide general elections; and

**WHEREAS**, District elections are conducted under California's Uniform District Election Law (including Elections Code section 10404) which authorizes special districts to adopt a resolution to consolidate their Board elections with the statewide general election, subject to County Board of Supervisors approval; and

**WHEREAS**, the Districts adopted such Resolutions on various dates between September 2016 and February 2017; and

**WHEREAS**, the Districts’ service areas are located in El Dorado County; and

**WHEREAS**, the Clerk of the Board has provided public notices pursuant to Section 25151 of the Government Code of the proceedings in which this resolution is to be considered for adoption; and

**WHEREAS**, the Clerk of the Board has notified all districts located in the County of the District Resolutions to consolidate their election and requested input from each district on the effect of consolidation and received no comments opposing the consolidation; and

**WHEREAS**, the Registrar of Voters has determined including the District elections in the statewide election can be accommodated by the County’s ballot style, voting equipment, and computer capacity, and that any increase in cost of doing so is negligible; and

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Supervisors hereby approves the consolidation of elections with the statewide general election for those Special Districts listed in Exhibit A, and authorizes and directs the El Dorado County Registrar of Voters to deliver by mail within thirty (30) days at each Districts’ expense, notice to all registered voters in Districts’ territorial boundaries of the consolidation of Districts’ elections to occur in even numbered years, with the first such election occurring on November 6, 2018.
