

AGREEMENT FOR SERVICES # 477-S1511

THIS AGREEMENT is made and entered into by and between the County of El Dorado County, a political subdivision of the State of California (hereinafter referred to as “County”) and The Center for Violence-Free Relationships, a California Corporation, duly qualified to conduct business in the State of California whose principal place of business is 344 Placerville Drive, Suite 11, Placerville, California 95667 and whose Agent for Service of Process is Matt Huckabay, 344 Placerville, Drive, Suite 11, Placerville, CA 95667 (hereinafter referred to as “The Center” or “Contractor”).

RECITALS

WHEREAS, County has determined that there is a need for greater collaboration between the El Dorado County District Attorney’s Office, law enforcement, and The Center to address the uniqueness of the situation faced by victims of domestic violence, and their children, in El Dorado County. Such collaboration is not only necessary to provide our community with an effective coordinate response to domestic violence to get victims the assistance they need in an expedited manner, but also to strengthen investigations to achieve more positive outcomes on those criminal cases that are filed.

WHEREAS, County has determined that it is imperative that the District Attorney’s Office and The Center coordinate their response to domestic violence cases as each agency provides essential resources that the other agency may not offer. A coordinated response between agencies is critical within the first 48 hours when the victim is at the highest risk.

WHEREAS, The Center was formed in 1979 and has operated for more than 35 years in El Dorado County, with a long history of serving victims of domestic violence, sexual assault, dating violence, and stalking, as well as their children.

WHEREAS, County and Contractor agree that it would be beneficial to County and victim(s) to locate a Contractor employee at the District Attorney’s Office to assist with victim(s) of domestic violence; and,

WHEREAS, the El Dorado County District Attorney and The Center entered into an Operational Agreement on or about December 1, 2014. (See Exhibit “A” attached hereto and incorporated herein); and,

WHEREAS, County is willing to provide a workstation for Contractor employee at the District Attorney's Main Street office location; and,

WHEREAS, Contractor Center has represented to County that its staff is specially trained, experienced, expert, and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services shall be in conformity with all applicable Federal, State (all references to "State" in this Agreement shall mean the State of California unless otherwise specified), and local laws; and

WHEREAS, County has determined that the provision of these services by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors. The County has determined that these are authorized by the County of El Dorado Charter, Section 210(b)(6) and/or Government Code 31000.

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE VI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE VII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XX

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. ARTICLE XXI

Default, Termination, and Cancellation:

If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. Bankruptcy: This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.

In no event, however, shall County be obligated to pay more than the total amount of the contract.
