El Dorado County has a serious need for additional bike/ pedestrian trails. The need is very great in El Dorado Hills. We ask that attention be made to the rail bed that travels from Placerville Road up to Shingle Springs. A bike and pedestrian trail on this rail bed would be a great asset to the entire county. It would provide our residents a much needed recreation area and also promote business in Shingle Springs.

Please apply for grants to finish the class 1 trail to Folsom, retain the single track trail and make a comprehensive plan for shared use portions.
