RE: Resolution for Healthy Kids

Dear Supervisors,

As Sheriff of El Dorado County, I am writing to express my support for the Resolution for Healthy Kids (Resolution No. 069-2021), which calls for the removal of mandatory face coverings for all students in our local schools.

This resolution highlights the importance of parental decision making and risk assessment on whether to mask their children and asks for the return of governing power for school safety protocols to the School Districts themselves.

It is critical that local governments, health departments, and school districts play a bigger role in deciding what is best for their communities. I support the efforts of the El Dorado County Board of Supervisors to ensure the parents of our communities' students are allowed to make their own best decisions.

Thank you for your consideration.

Sincerely,

JOHN D'AGOSTINI  
Sheriff ~ Coroner  
Public Administrator
