Re: Item 25-1002 FY 2025/2026 Community Corrections Partnership Implementation Plan & Budget

Dear Members of the Board of Supervisors,

In consideration of the time and current transitions taking place within the Probation Department, we respectfully request that Item 25-1002 Community Corrections Partnership Fiscal Year 2025/2026 Implementation Plan and Budget Acceptance is placed on the Consent Calendar.

The attached Implementation Plan details the significant changes and use of fund balance coordinated by the Chief Administrative Office with the Community Corrections Partnership to achieve the County's Budget goals and objectives for the Fiscal Year 2025/2026 Budget.

Upcoming Community Corrections Partnership Considerations

Additionally, I would like to take this time to ensure awareness for the requirements through Assembly Bill 1080 directing the Legislative Analyst's Office to prepare a report to be submitted to the Legislature on June 30, 2026, evaluating the results of Assembly Bill 109 of the 2011-12 Regular Session over the previous 10 years. Our department has already begun compiling the requested information, including but not limited to, the following:

- (1) The amount of funding received per county and how that funding was allocated including but not limited to, the following categories:
 - a. Funding received by Department or Agency
 - b. All types of facilities construction
 - c. The number and type of additional personnel
 - d. Rehabilitative programming
 - e. Any other services
- (2) Information on sentencing practices, including the use of straight sentencing, split sentencing, probation, diversion, and any other alternatives to custody.

- (3) The impact on the County jail population as based on changes to the average monthly jail population, whether there were changes in jail release policies, and whether the County jail was under any court-ordered population cap.
- (4) Information on post-release community supervision practices, including caseload of Probation officers, responses to supervision violations, including describing the sanctions used and particularly the use of flash incarceration, and programming and services offered.
- (5) Recidivism outcomes, as defined by rearrest and reconviction rates after release from custody for offenders sentenced under subdivision (h) of Section 1170, and those released on post-release community supervision.
 - a. The report may be based on data from every county, or alternatively, a multicounty study using data from at least 15 counties representative of the state.
 - b. (1) A report to be submitted pursuant to subdivision (a) shall be submitted in compliance with section 9795 of the Government Code.
(2) Pursuant to Section 10231.5 of the Government Code, this chapter is repealed on June 30, 2030.

A copy of the final report will be submitted to the Chief Administrative Office for review.

Thank you all for your time and consideration,

Kaci Smith (Sep 17, 2025 10:15:15 PDT)
