**IMPLEMENTATION AGREEMENT REGARDING  
PROCESSING OF PRE-PAID EL DORADO HILLS TIM FEES  
(West Valley LLC)**

THIS IMPLEMENTATION AGREEMENT (the "Agreement") is entered into by and between the County of El Dorado, a political subdivision of the State of California ("County") and West Valley LLC, a California limited liability company ("Developer"), concerning the accounting and processing of certain prepaid traffic impact mitigation fees for the 2004 General Plan Traffic Impact Mitigation Fee Program ("EDH TIM" fees) as more particularly described herein.

**RECITALS**

WHEREAS, Developer submitted an application to County requesting that County initiate and conduct proceedings for establishment of a community facilities district pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Mello-Roos Act") to be known as "Community Facilities District No. 2005-1 (Blackstone), County of El Dorado, State of California ("CFD No. 2005-1 Blackstone") and to issue and sell special tax bonds of the County on behalf of CFD No. 2005-1 (the "Bonds") pursuant to the Mello-Roos Act upon the security of the unpaid special tax obligation recorded as a lien against the taxable property in CFD No. 2005-1 to finance the cost and expense of acquiring, constructing and installing certain public facilities and pre-paying a portion of the EDH TIM fees;

WHEREAS, pursuant to the Resolution of Formation of Community Facilities District No. 2005-1(Blackstone) adopted by the Board of Supervisors for County, and as authorized with the vote of the property owners in favor thereof, a special tax was levied on all taxable parcels within the District and the Bonds were issued;

WHEREAS, County and Developer entered into that certain Funding, Credit and Reimbursement Agreement, with an effective date of November 21, 2005 (the "Funding Agreement"). Section 9 of the Funding Agreement required Developer to prepay a portion of the EDH TIM fees through the use of the Bond proceeds provided by CFD No. 2005-01 Blackstone. All capitalized terms not otherwise defined herein shall have the meanings assigned thereto in the Funding Agreement;

WHEREAS, pursuant to the Funding Agreement, proceeds from the Bond sales for the CFD No. 2005-1 Blackstone were subsequently utilized to prepay a portion of the EDH TIM fees in order for County to construct the Latrobe Road projects as described in the findings and conditions of Approval for TM99-1359;

WHEREAS, the property subject to TM99-1359 has benefited from the use of the prepaid fees to satisfy the conditions of Approval for TM99-1359;

WHEREAS, Developer's purchase agreements with its builders discounted the purchase price by the amount of the pre-paid fees and provided a time frame for payment of that

discounted amount by the builders to Developer coordinated with the issuance of building permits;

WHEREAS, Developer's purchase agreements with its builders contemplated that Developer and its builders would coordinate applications for building permits so that the builders would pay to Developer an amount equal to the amount of the pre-paid fees attributable to the authorized units before issuance of building permits;

WHEREAS, pursuant to the Developer's purchase agreement with its builders, Developer and the builders agreed that the Developer and County would develop and implement a procedure, as security for payments by builders to Developer of such pre-paid fees, whereby upon payment of amounts due to Developer, Developer would acknowledge such payment on a form approved by the County, and County would then reduce the amount of the full EDH TIM fees otherwise payable by such builders when obtaining building permits for their developments by the amount of the pre-paid fees;

WHEREAS, County is willing to cooperate with the Developer and its builders to develop and implement a procedure to account for the prepaid EDH TIM fees strictly as security for payment for Developer in accordance with the purchase agreements.

NOW, THEREFORE, the parties hereto in consideration of the recitals, terms and conditions herein, do hereby agree as follows:

**1. Accounting Procedure for Prepaid EDH TIM Fees.**

County agrees to implement the following procedure for accounting for the EDH TIM fees prepaid from proceeds of CFD 2005-1 Blackstone, pursuant to the Funding Agreement (the "Prepaid EDH TIM Fees"):

A. Developer shall use the Certificate of Prepaid EDH TIM Fees in the form attached hereto as Exhibit A (a "Certificate of Prepaid Fees"), to certify payment has been made for a specified amount of Prepaid EDH TIM Fees by a builder within the Blackstone Project. As noted in the form of the Certificate of Prepaid Fees, based on the funds provided by the CFD No. 2005-1 Blackstone and for ease of administration, the amount of Prepaid EDH TIM Fees that can be allocated by Developer is \$16,520 per single family unit, \$10,780 per multifamily unit, and \$5.418 per square foot of commercial space (up to the first 60,000 square feet of commercial space);

B. If and when a builder within the Blackstone Project applies for building permit(s), the County shall ask the builder if it has a signed Certificate of Prepaid Fees from the Developer for these requested permits.

(i) If a signed Certificate of Prepaid Fees is provided, then the County shall reduce the amount of the EDH TIM fees to be paid by the builder for such permit(s) by the amount of Prepaid EDH TIM Fees acknowledged to have been paid by the builder in such Certificate of Prepaid Fees.

(ii) If a signed Certificate of Prepaid Fees is not provided with the building permit application, then the County will offer the builder to hold the building permit application for five (5) business days to provide an opportunity to for builder to obtain from Developer a Certificate of Prepaid Fees for the permit(s) related to such application, or make other arrangements as set forth herein. The builder may : (1) obtain a Certificate of Prepaid Fees from Developer for such permit(s) which shall reduce the amount of the EDH TIM fees to be paid by the builder for such permit by the amount of Prepaid EDH TIM fees acknowledged to have been paid; (2) provide evidence that it has made payment for such prepaid fees to Developer (by presentation of a canceled check, evidence of a wire transfer, etc.) and five (5) business days have elapsed and no Certificate of Prepaid Fees has been provided by Developer, in which case, with five (5) business days written notice to Developer of presentation of such evidence by builder, County may reduce the amount of the EDH TIM to be paid by the builder by the applicable amount in accordance with Section 1(a) hereinabove; or, (3) pay the full amount of the EDH TIM fees associated with issuance of its building permits, and that portion equivalent to the applicable amount of Prepaid EDH TIM in accordance with Section 1(A) hereinabove will be held by County in trust until such time as: i) builder provides a Certificate of Prepaid Fees, in which case the fees in trust will be released to builder, (ii) County issues a certificate of occupancy for any building for which the building permit was issued, in which case the fees in trust for said permit would be released to Developer, or (iii) builder or Developer provide written direction signed by both of them or a court order authorizing the release of all or a portion of the fees paid by builder to the party designated therein. Release of such funds to Developer shall constitute payment by the builder of his obligation to pay said amount under the purchase agreement.

C. Developer acknowledges that County policy generally may allow builders to relinquish building permits unused, or allow them to expire, and receive a refund of TIM fees paid in connection therewith. The parties hereby acknowledge and agree that the portion of the Prepaid EDH TIM Fees paid from proceeds of CFD 2005-1 Blackstone are not refundable to West Valley LLC, its successors and/or its builders as they have been used to satisfy the conditions of TM99-1359. Nothing in this Agreement shall be deemed to render them refundable. If a builder returns building permits for which a Certificate of Prepaid Fees was provided, then the County may refund, in accordance with its policy, the EDH TIM fees actually paid by builder to the County, as reduced by the Prepaid EDH TIM Fees, and the prepaid portion of the fees shall remain as a credit against future EDH TIM fees required to be paid. If a builder returns building permits for which no Certificate of Prepaid Fees was provided and for which the builder paid the full amount of the EDH TIM fees without offset, then absent written direction signed by Developer and the builder or court order as set forth hereinabove, County may, in accordance with its policy, refund the full amount of the EDH TIM fees paid by such builder and the County shall have no obligation to release said funds, or any portion thereof, to the Developer. If the County has released said funds to the Developer and the

builder thereafter makes a claim for a refund, which claim is upheld by a court, Developer shall refund such moneys to County within ten (10) days of demand therefore.

E. In consideration of County cooperating with Developer in preparing and implementing this procedure to account for and process the Prepaid EDH TIM Fees, Developer, and each of its individual members, and Angelo K. Tsakopoulos,, shall execute and deliver to County concurrently herewith an Indemnity Agreement in the form attached hereto as Exhibit B.

F. This allocation procedure shall apply only to applications for building permits by Developer or its builders made after the effective date of this Agreement.

**2. Effect of Agreement.**

Nothing by way of this Agreement shall be construed to require County to refund any Prepaid EDH TIM Fees prepaid from proceeds of CFD 2005-1 Blackstone to Developer, its successors or its builders. Nothing by way of this Agreement shall be construed to amend or modify the Funding Agreement.

**3. Counterparts.**

This Agreement may be executed in counterparts.
