DORADO FIRE PROTECTION DISTRICT**

THIS AGREEMENT made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Diamond Springs/El Dorado Fire Protection District (herein after referred to as "Fire").

Recitals

WHEREAS, County applied for FY 2020 Homeland Security Grant programs ("Grant");
and

WHEREAS, County was awarded grant funds in the amount of \$271,804, for the FY 2020 grant, which was included in the County Sheriff's Office Fiscal Year 2021 - 2022 budget;
and

WHEREAS, Grant provides funding for planning, equipment, training, exercises, and management/administrative costs; and

WHEREAS, County, as the Operational Area lead agency, will receive the grant funds, purchase and loan equipment or services to other participating agencies, or reimburse agencies who purchase grant approved equipment or services; and

WHEREAS, as required by the Homeland Security Grant, on June 23, 2015, the County Board of Supervisors reaffirmed the creation of an Approval Authority, representing the City of Placerville, City of South Lake Tahoe, Sheriff, Public Health, and Fire Districts, to distribute the Grant funds at the local level; and

WHEREAS, Fire is a local participating agency in the FY 2020 Homeland Security Grant program; and

WHEREAS, the Approval Authority has agreed to disburse an amount not to exceed \$47,500.00 in grant funds to Fire, for Fire to purchase: Side by Side Vehicle (hereinafter referred to as the "Equipment");

NOW, THEREFORE, County and Fire mutually agree as follows:

ARTICLE I

Payment of Funds: County will reimburse Fire in an amount not to exceed \$47,500.00 solely for the purchase of Equipment within thirty (30) days after Fire presents an invoice, as well as documentation verifying that Fire complied with grant purchasing guidelines to County. In no event shall County's obligation under this Agreement exceed \$47,500.00.

ARTICLE II

Use of Funds: Fire will use the funds to be reimbursed by County solely for the purchase of the Equipment. Fire is responsible for any other costs incurred in accordance with grant purchasing guidelines related to the Equipment. Fire shall purchase the Equipment directly from the supplier and shall take title directly without title passing through the County. Fire will purchase the Equipment by May 31, 2023, or expiration date of grant if a time extension is granted for this project and present the County with an invoice for payment. In the event Fire does not purchase the Equipment by the grant's expiration date, and invoice the County by the grant's expiration date, or in the event Fire does not adhere to grant purchasing guidelines, County's obligation for payment shall be null and void, and upon written demand by County, Fire shall return any funds it has received from County and not spent on the Equipment to County within thirty (30) days of mailing of written demand of County.

Fire shall submit to County its statement of the total sum of an amount not to exceed \$47,500.00, identical to Attachment A, noting that the Equipment has been purchased and received. Such statement shall be signed under penalty of perjury by an authorized signatory of Fire.

ARTICLE III

Term: This Agreement shall become effective when fully executed by both parties ("Effective Date") covering the reimbursement of purchase of Equipment from the start of the grant term and shall expire when grant performance period expires, currently scheduled for May 31, 2023.

ARTICLE IV

Audit and Access to Records: The County shall have the right of access to any books, documents, papers, or other records which are pertinent to the Grant, to make audits, examinations, excerpts and transcripts. Fire will keep and maintain an accurate financial account, in accordance with generally accepted accounting principles, of all funds expended by Fire with respect to the Equipment until notification is provided by the county that the State Homeland Security Grant Program has closed the grant and completed all audits and reviews. Such accounting records shall be available for inspection by the County's designee, during normal business hours at the offices of Fire, or the offices of its financial consultant.

ARTICLE V

Compliance with Applicable Law and Grant Requirements: Fire has read and understands the Grant and will comply with and require any vendor of the Equipment to comply with all laws, regulations and guidance documents that apply to the Grant. Fire is responsible for ensuring that all purchases for goods and services must comply with grant purchasing guidelines. Specifically, Fire shall comply with 2 Code of Federal Regulations (CFR) Part200, E.O. 12372, and any current Administrative Requirements, Cost Principles, and Audit Requirements.

Fire agrees to maintain accountability of all items, mark or tag all individual items or sets costing over \$5,000 for inventory and control purposes, maintain or repair any items and ensure

all CFR required record keeping. ID tag numbers, location of storage, and physical condition will be reported by Fire to the County at the time of purchase and at least once per year thereafter.

Items lost or destroyed within the Grant Performance Period must be replaced solely by the Fire at its own expense. Fire is responsible for ensuring that all items, regardless of cost, procured under this or any federal grant programs will be maintained and controlled for the useful life of the items, and any sale, disposal, or planned destruction of said items will be done only upon receipt of written approval from the U.S. Department of Homeland Security or its delegated representative.

Fire agrees that federally funded equipment must be made available for mutual aid, as requested.

In the event an audit by the County or the State of California (Cal OES) determines Fire failed to comply with these guidelines, the County shall provide written notification of the violation and Fire may be required to reimburse the County for the total cost of the affected items.

ARTICLE VI

Debarment and Suspension Certification: By signing this agreement, Fire agrees to comply with applicable federal suspension and debarment regulations including, but not limited to **45 CFR 76**.

By signing this agreement, Fire certifies to the best of its knowledge and belief, that it and its principals:
