Dear Supervisors:

I STRONGLY SUPPORT the EDOK COC 5 year county-wide strategic plan to prevent and end homelessness, and STRONGLY SUPPORT the BOS to participate and adopt this plan.

As you should know there are ONLY 4 counties in California that do not have a year-round emergency shelter for individuals experiencing homelessness and TRAGICALLY El Dorado County is one of them!!! The goal should be to have a Navigation Center/Shelter up and running by Fall 2022 or sooner.

I want to thank the EDOK CoC for this comprehensive plan and to you, the BOS for your immediate actions to support the comprehensive Strategic Plan so we can move forward as a community to tackle this complex problem for the sake of everyone in our community.

Respectfully,

Annette Schoonover

Is it possible that one of the very old motels up on Broadway might be purchased to house the homeless?

Back in 2016 Arthur A. Edwards wrote the book "The journey to Hangtown Haven", where I believe he started a homeless camp that was working quite well with rules in place. He might be able to help with getting something appropriate started again.

Thank you,
