Dear Joyce,

As we discussed, this will serve as your authorization to continue to bill Golden Sierra for the cost of WIA operations in El Dorado and Alpine counties. It is understood that the contract for the 07/08 fiscal year was accidentally delayed and that it is now in the ratification process, and should be completed in the near future. It is further understood that there are no material modifications to the contract (from prior year), except for budgetary considerations; and that the new contract amount totals \$620,510 for adult, youth and dislocated worker with an additional \$50,000 for Rapid Response.

If there is anything further that you need, please don't hesitate to call me.

Sincerely,

Lewis D. Partridge  
Chief Fiscal Officer
