Re: Tahoe Paradise Resort Improvement District Board Vacancy

Dear Ms. Dawson:

Pursuant to our phone conversation earlier this week I am sending you information concerning our board's nominee to fill an empty board seat. As a board we have unanimously endorsed and recommend Victor Babbitt to fill a vacancy that is currently on our board. I have enclosed a letter from Victor Babbitt, expressing his interest, as well as a letter from Dr. Peter J. Nelligan supporting his candidacy. It would be our board's request that the board of supervisors, pursuant to Resort Improvement District Code §13036, appoint Victor Babbitt to our board for the remaining term of Patty Stuck, whose term ends on December 4, 2015.

We would like to put this on the first available agenda for the county board of supervisor's approval. If there is any additional information that you need from me please let me know at your earliest convenience.

Sincerely yours

William B. Cherry Jr.

Dear Mr. Cherry and Board Members,

I understand that there is a vacancy on the Board of Directors of the Tahoe Paradise Park Improvement District and that the Board has solicited applications for the position. I also understand that Mr. Victor Babbitt will apply. I am writing in support of Mr. Babbitt's appointment to the position.

I have known Mr. Babbitt for a little less than a year, since we both began attending meetings of the Board. From his comments at the meetings, as well as in other conversations, I have concluded that Mr. Babbitt will be an ideal board member. He has a good grasp of the challenges facing the park. He is a long-time resident of the community with extensive ties to the recreation community, especially fishing interests. His management and fiscal skills are evident from his ownership and management of a small business in the community for many years. His commitment to the park is demonstrated by his attendance at board meetings during the past year.

For these reasons I hope you will appoint Mr. Babbitt to the board of Directors.

Thank you,

Peter J. Neffigan

To whom it may concern,

I, Victor Babbitt, would like to be on the board of directors for TPRID. I have been a resident of the area for 29 + years and own a home located at 2022 Arrowhead. I believe I stuck my hat in the ring some time ago inquiring about being on the board and then more seriously for the past year.

I believe I will be a good fit for the board with numerous years of running a successful business here in the Tahoe area and being the commissioner for dist. 5 sitting on the El Dorado County Fish & Game commission for the past 9 years. Dave Solaro and then Norma Santiago appointed me to represent the Tahoe Basin for the Supervisors.

Thank you for your consideration,
