1.0 INTRODUCTION

The County of El Dorado (hereinafter referred to as County) is located in Northern California and is bordered by Sacramento, Placer, Amador and Alpine counties in California, and Douglas County, Nevada. The County is topographically divided into two zones. The northeast corner of the County is in the Lake Tahoe basin, while the remainder of the County is in the “western slope,” the area west of Echo Summit. There are two municipalities within El Dorado County. The largest city in the County is the City of South Lake Tahoe, with a 2020 population estimate of 22,487. The City of Placerville, the County seat, is located 45 miles northeast of Sacramento, the State capital. The City of Placerville has a 2020 estimated population of 11,397. The remainder of the County’s 197,037 residents live outside of the two incorporated areas.

El Dorado County’s Procurement and Contracts Division, on behalf of the County’s Health and Human Services Agency (hereinafter referred to as “HHSA”), is soliciting sealed proposals from highly qualified and experienced organizations (hereinafter referred to as “Proposer” or “firm”) to provide services to prepare Transition Age Youth (TAY) for successful independent living and to provide said youth with skills required to achieve self-sufficiency. These services are required as part of the Independent Living Program initiated at the state level, prompting County to solicit service providers who can help meet County service requirements of this mandate.

There is an identified need for youth currently and formerly in foster care in the United States to have a system that helps facilitate the successful transition of foster youth to adulthood. In response to this need, The Foster Care Independence Act of 1999 (Public Law 106-169) permanently authorized the California Department of Social Services (CDSS) Independent Living Program (ILP) for youth leaving and preparing to leave the foster care and probation system, as well as for young adults who have emancipated. Youth participation in ILP services is voluntary.

Fitting with legislative intent, the CDSS implementation of the ILP meets minimum requirements and specifications, while providing California counties with the flexibility to design ILP services to meet a wide range of needs for TAY involved or previously involved in the foster care and probation systems. The goal of the ILP is to enable youth between the ages of sixteen (16) to twenty-one (21) to achieve self-sufficiency by providing the independent living skill assessments, basic living education, vocational training, job seeking skills, individualized services, and a written Transitional Independent Living Plan (TILP) for each participating youth to assist the youth in achieving the goal of living independently.

Indicators of success include achieving a high school diploma or General Equivalency Diploma (GED), stable housing, a source of income, a job or college

attendance, supportive life-long connections, and a plan for utilizing available community resources.

TAY are eligible for ILP services from the age of sixteen (16) to the day before their twenty-first (21st) birthday, provided one of the following provisions is applicable:

- The foster or probation youth was or is in foster care at any time from their sixteenth (16th) to their nineteenth (19th) birthday.
- The foster or probation youth was placed in out-of-home care by a tribe or tribal organization between their sixteenth (16th) and nineteenth (19th) birthdays.
- The foster or probation youth is a former dependent who entered into a kinship guardianship at any age and is receiving or has received Kinship Guardianship Assistance Payments (Kin-GAP) between ages sixteen (16) and eighteen (18).
- The foster or probation youth is a former dependent who entered into a Non-Related Legal Guardianship (NRLG) after attaining age eight (8) and is receiving or has received permanent placement services.
- Youth receiving services through a Probate Guardianship case managed by Child Welfare Services between the ages of sixteen (16) to twenty-one (21) may also be referred by County of El Dorado (County), as appropriate.

Current counts of ILP eligible youth residing within the County that may be eligible for these services indicate a total of seventy-two (72), with fifty-nine (59) of the youth living in the western slope, and thirteen (13) living in the South Lake Tahoe basin. Of the seventy-two (72) total potentially ILP eligible youth, twenty-two (22) of the youths have an open case with the County. The awarded Proposer will be required to provide services to all eligible youth, regardless of where the youths live within the County. This includes youths that reside in the County but have open jurisdiction from other counties.

Firms responding to this solicitation should also understand the County's intent is to identify a qualified Proposer who can serve TAY's throughout the western slope and South Lake Tahoe basin. Proposals that do not offer services to both the western slope and South Lake Tahoe basin may be rejected.

The County of El Dorado is an equal opportunity employer (EOE). All individuals are encouraged to participate. The County will not discriminate against any individual because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, military or veteran status, marital status, age, gender, gender identity, gender expression, or sexual orientation.

- 8.8** Response and selection of a proposal will not necessarily result in the award of a contract with the County. The act of opening a submittal and selecting a Proposer does not constitute awarding of a contract. Contract award is by action of the Purchasing Agent or Board of Supervisors and is not in force until fully executed.
- 8.9** Once contract negotiations are initiated, the County reserves the right to select the next ranked Proposer if for any reason a contract cannot be negotiated with the selected Proposer.

9.0 EL DORADO COUNTY WEBSITE REQUIREMENTS

It is the Proposer's responsibility to monitor the PlanetBids website for possible addenda to this RFP to inform him/herself of the most current specifications, terms, and conditions, and to submit his/her proposal in accordance with original RFP requirements and all required addenda. All available RFPs and related addenda can be found at:

<https://pbsystem.planetbids.com/portal/48157/portal-home>

Failure of Proposer to obtain this information shall not relieve him/her of the requirements contained therein. Those Proposers not acknowledging and returning Addenda as required will not be considered and will be rejected as “non-responsive.”

10.0 REJECTION OF PROPOSALS

Proposers interested in being considered must submit a proposal in compliance with this RFP. Failure to meet the minimum requirements of the RFP shall be cause for rejection of the proposal. The County reserves the right to reject any or all proposals.

The County may reject a proposal if it is conditional, incomplete, contains irregularities, or reflects inordinately high cost rates.

11.0 VALID OFFER

Proposals shall remain valid for one hundred twenty (120) days from the due date. The County reserves the right to negotiate with the successful Proposer any additional terms or conditions not contained in their proposal which are in the best interest of the County or to otherwise revise the scope of this RFP. This RFP does not constitute a contract or an offer of employment.

12.0 COUNTY'S RIGHTS

The County reserves the right to:

1. Request clarification of any submitted information.
2. Waive any irregularity or immaterial deviation in any proposal.
3. Not enter into any agreement.
4. Not select any Proposer.
5. Cancel this process at any time.
6. Amend this process at any time.
7. To award more than one (1) contract if it is in the best interest of the County.
8. Interview Proposers prior to award.
9. To request additional information during an interview.

Waiver of an immaterial deviation shall in no way modify the RFP documents or excuse the Proposer from full compliance with the contract requirements if the Proposer is awarded the contract.

13.0 CONFLICT OF INTEREST

Proposers warrant and covenant that no official or employee of the County, or any business entity in which an official of the County has an interest, has been employed or retained to solicit or aid in the procuring of the resulting agreement, nor that any such person will be employed in the performance of such agreement without immediate divulgence of such fact to the County. Proposals shall contain a statement to the effect that the Proposer is not currently committed to another project that would constitute a conflicting interest with the project defined in this RFP.

14.0 PUBLIC RECORDS ACT

Pursuant to the California Public Records Act ("CPRA"), the County may be required to produce records of this transaction, upon third party request, subject to various statutory exemptions. Please indicate what exemptions may apply to the information you submit (such as a 'proprietary information' exemption – refer to Section 4 for submittal instructions). Please note that designating information as "proprietary" does not guarantee non-disclosure.

In the event of a request for such information, the County will make best efforts to provide notice to Proposer prior to such disclosure. If Proposer contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in El Dorado County before the County's deadline for responding to the CPRA request. If Proposer fails to obtain such remedy within County's deadline for responding to the CPRA request, County may disclose the requested information. The County shall not in any way be liable or responsible for the disclosure of any such records.

Proposer further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney's fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Proposer.

14.0 BUSINESS LICENSE REQUIREMENT

It is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. Contact the Tax Collector's Office at 360 Fair Lane, Placerville, CA 95667, or phone (530) 621-5800, for further information.

It is not a requirement to possess a County business license at the time of proposal submittal. Selected Proposers may be required to possess a County business license to award contract.

15.0 PUBLIC AGENCY

It is intended that other public agencies (i.e., city, special district, public authority, public agency, and other political subdivisions of the State of California) shall have the option to participate in any agreement created as a result of this RFP with the same terms and conditions specified therein, including pricing. The County shall incur no financial responsibility in connection with any agreement from another public agency. The public agency shall accept sole responsibility for contracting for services and making payment to the vendor.

Failure to return the survey or requested follow up compliance documentation within sixty (60) days may result in the withholding of payment from the Contractor until such time as compliance with the terms of the Agreement can be verified. Verifying compliance may necessitate additional on-site reviews should information submitted by the Contractor be deemed insufficient or inaccurate.
- C. All files, records, documents, sites, and personnel are subject to review by representatives from County, State or Federal government.
- D. Upon notification of an exception or finding of non-compliance, the Contractor shall submit evidence of Corrective Action within thirty (30) days, or as otherwise specified in the notice of required corrective action provided by the County. Continued non-compliance beyond due date for submission of Corrective Action may lead to termination of this Agreement in accordance with the Article titled "Default, Termination, and Cancellation."
- E. Failure by County to notify or require Corrective Action does not constitute acceptance of the practice of waiver of the County's right to enforce.

ARTICLE VII

Nondiscrimination:

- A. County may require Contractor's services on projects involving funding from various state and/or federal agencies, and as a consequence, Contractor shall comply with all applicable nondiscrimination statutes and regulations during the performance of this Agreement including but not limited to the following: Contractor and its employees and representatives shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, military or veteran status, marital status, age, gender, gender identity, gender expression, sexual orientation, or sex; Contractor shall, unless exempt, comply with the applicable provisions of the Fair Employment and Housing Act (Government Code, section 12900 et seq.) and applicable regulations promulgated thereunder (California Code of Regulations, Title 2, section 11000 et seq.); the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, section 12990, set forth in Subchapter 5 of Chapter 5 of Division 4.1 of Title 2 of the California Code of Regulations incorporated into this Agreement by reference and made a part hereof as if set forth in full; and Title VI of the Civil Rights Act of 1964, as amended. - D. Contractor shall comply with Exhibit #_, marked "Contractor Assurance of Compliance with Nondiscrimination in State and Federally Assisted Programs," incorporated herein and made by reference a part hereof. Contractor shall acknowledge compliance by signing and returning Exhibit #_ upon request by County.

ARTICLE VIII

Taxes: Contractor certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes, or fees owed by Contractor to County. Contractor agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE IX

Executive Order N-6-22 – Russia Sanctions: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, if this Agreement is funded by state funds and County determines Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The County will provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination will be at the sole discretion of the County.

ARTICLE X

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XI

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XII

Confidentiality: Contractor shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Contract Administrator for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XIII

Health Insurance Portability and Accountability Act (HIPAA) Compliance: As a condition of Contractor performing services for County, Contractor shall execute Exhibit #_, marked "HIPAA Business Associate Agreement," incorporated herein and made by reference a part hereof.

ARTICLE XIV

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

In the event Contractor receives written consent to subcontract services under this Agreement, Contractor is required to ensure subcontractor remains in compliance with the terms and conditions of this Agreement. In addition, Contractor is required to monitor subcontractor's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

ARTICLE XV

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Contractor shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes Contractor. Contractor shall not be subject to the work schedules or vacation periods that apply to County employees.

Contractor shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Contractor provides for its employees.

Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and Contractor shall not make any agreements or representations on the County's behalf.

ARTICLE XVI

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the County's Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVII

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the

contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XVIII

Default, Termination, and Cancellation:

A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:

1. The alleged default and the applicable Agreement provision; and
2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following will be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.
3. Contractor fails to observe and perform any covenant, condition, or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
4. A violation of the Article titled "Conflict of Interest."

B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.

C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.

D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination, in

accordance with the Article titled "Notice to Parties." If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

ARTICLE XIX

Said notice shall become part of this Agreement upon acknowledgment in writing by the

County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XXI

Indemnity: To the fullest extent permitted by law, Contractor shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Contractor or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the sole negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

The insurance obligations of Contractor are separate, independent obligations under the Agreement, and the provisions of this defense and indemnity are not intended to modify nor should they be construed as modifying or in any way limiting the insurance obligations set forth in the Agreement.

Nothing herein shall be construed to seek indemnity in excess of that permitted by Civil Code section 2782, et seq. In the event any portion of this Article is found invalid, the Parties agree that this Article shall survive and be interpreted consistent with the provisions of Civil Code section 2782, et seq.

ARTICLE XXII

during the term of this Agreement, Contractor agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.

- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without prior written notice to County; and
 - 2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be in excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.

- A. Promptly give written notice to the other of the fact that it is unable to so perform and the cause(s) that is beyond its control; and
- B. Once the cause(s) has ceased, provide written notice to the other party and immediately resume its performance under this Agreement.

For purposes of this Article, “cause that is beyond its control” includes labor disturbances, riots, fires, earthquakes, floods, storms, lightning, epidemics, war, disorders, hostilities, expropriation or confiscation of properties, failure of and delays by carriers, interference by civil or military authorities, whether legal or de facto, and whether purporting to act under some constitution, decree, or law, or otherwise, or acts of God.

ARTICLE XXIV

Waiver: No failure on the part of the parties to exercise any rights under this Agreement, and no course of dealing with respect to any right hereunder, shall operate as a waiver of that right, nor shall any single or partial exercise of any right preclude the exercise of any other right. The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XXV
